I just wanted to let you know that I was preparing for the CPC exam and took a practice exam and only made a 70%. I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly I purchased your product, a practice exam, and the strategies to pass before sitting for the CPC exam. I received my results yesterday I MADE A 92! I used all of the strategies you recommended: time management, highlighting, etc. which made all the difference in the world. Thank you so much! Heather T
