Kids Count New Jersey ..., 2016 The Delusions of Crowds William J. Bernstein, 2021-02-23 This disturbing yet fascinating exploration of mass mania through the ages explains the biological and psychological roots of irrationality Kirkus Reviews From time immemorial contagious narratives have spread through susceptible groups with enormous often disastrous consequences Inspired by Charles Mackay's nineteenth century classic *Memoirs of Extraordinary Popular Delusions and the Madness of Crowds* neurologist and author William Bernstein examines mass delusion through the lens of current scientific research in *The Delusions of Crowds* Bernstein tells the stories of dramatic religious and financial mania in western society over the last five hundred years from the Anabaptist Madness of the 1530s to the dangerous End Times beliefs that pervade today's polarized America and from the South Sea Bubble to the Enron scandal and dot com bubbles Through Bernstein's supple prose the participants are as colorful as their desire to improve one's well being in this life or the next Bernstein's chronicles reveal the huge cost and alarming implications of mass mania He observes that if we can absorb the history and biology of this all too human phenomenon we can recognize it more readily in our own time and avoid its frequently dire impact

Departmental annual report 2010-11 Great Britain: Parliament: House of Commons: Foreign Affairs Committee, 2012-04-13 Despite the impressive performance of the Foreign and Commonwealth Office in representing the UK's interests across the globe with what is in Governmental terms a particularly small budget the Foreign Affairs Committee believes that the FCO is under funded This situation has been exacerbated by the Spending Review 2010 and the lack of detail provided by the FCO and the BBC World Service as to exactly how the spending reductions target will be met is disappointing There are concerns about the steps taken by the FCO to adjust to its reduced budget reductions in the deployment of UK based staff overseas and the optimistic planned programme of property sales will have a detrimental impact on the ability of the UK to protect its interests overseas The establishment of the European External Action Service EEAS will place a further strain on the FCO's resources The Committee welcomes the appointment of Lord Williams of Baglan to the post of International Trustee with responsibility for the BBC World Service but reiterates its belief that a formal concordat governing the World Service's budget and output should be drawn up setting out the World Service's independence from budgetary pressures elsewhere in the BBC The budget cuts faced by the British Council will lead to the Council becoming a substantially different organisation by the end of the Spending Review period The greater emphasis that the British Council will place on commercial activity risks a diminution of the UK's influence and soft power *International Broadcasting and Its Contested Role in Australian Statecraft* Geoff Heriot, 2023-03-14 This book offers an insightful reappraisal of international broadcasting as discursive rather than soft power in service of democratic statecraft This at a time when issues of transnational media the credibility of news and the perils of disinformation and information warfare
