

JANUARY ... DOES IT BRING YOU JOY?

1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5

2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.

3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

English as a Lingua Franca in Wider Networking Paola Vettorel, 2014-08-27 In a constantly interconnected world communication takes place beyond territorial boundaries in networks where English works as a lingua franca The volume explores how ELF is employed in internationally oriented personal blogs findings show how bloggers deploy an array of resources to their expressive and interactional aims combining global and local communicative practices Implications of findings in ELF and ELT terms are also discussed

Language Policy in Higher Education F. Xavier Vila Moreno, Vanessa Bretxa, 2014-12-05 In today's increasingly interconnected knowledge based world language policy in higher education is rapidly becoming a crucial area for all societies aiming to play a part in the global economy The challenge is double faceted how can universities retain their crucial role of creating the intellectual elites who are indispensable for the running of national affairs and at the same time prepare their best educated citizens for competition in a global market To what extent is English really pushing other languages out of the academic environment Drawing on the experience of several medium sized language communities this volume provides the reader with some important insights into how language policies can be successfully implemented The different sociolinguistic contexts under scrutiny offer an invaluable comparative standpoint to understand what position can or could be occupied by each language at the level of higher education

Welsh English Heli Paulasto, Rob Penhallurick, Benjamin Jones, 2020-12-07 This book is the first comprehensive research based description of the development structure and use of Welsh English a contact induced variety of English spoken in the British Isles Present day accents and dialects of Welsh English are the combined outcome of historical language shift from Welsh to English continued bilingualism intense contacts between Wales and England and multicultural immigration As a result Welsh English is a distinctive regionally and sociolinguistically diverse variety whose status is not easily categorized In addition to existing research the present volume utilizes a wide range of spoken corpus data gathered from across Wales in order to describe the phonology lexis and grammar of the variety It includes discussion of sociolinguistic and cultural contexts and of ongoing change in Welsh English The place that Welsh English occupies in relation to other Englishes in the Inner and Outer Circles is also analysed The book is accessible to the non specialist but of particular use to scholars teachers and students interested in English in Wales Britain and the world It provides an unparalleled resource on this long standing and vibrant variety

Learning through assessment Anita Lubbe, 2021-12-31 This book aims to contribute to the discourse of learning through assessment within a self directed learning environment It adds to the scholarship of assessment and self directed learning within a face to face and online learning environment As part of the NWU Self Directed Learning Book Series this book is devoted to scholarship in the field of self directed learning focusing on ongoing and envisaged assessment practices for self directed learning through which learning within the 21st century can take place This book acknowledges and emphasises the role of assessment as a pedagogical tool to foster self

directed learning during face to face and online learning situations The way in which higher education conceptualises teaching learning and assessment has been inevitably changed due to the COVID 19 pandemic and now more than ever we need learners to be self directed in their learning Assessment plays a key role in learning and therefore we have to identify innovative ways in which learning can be assessed and which are likely to become the new norm even after the pandemic has been brought under control The goal of this book consisting of original research is to assist with the paradigm shift regarding the purpose of assessment as well as providing new ideas on assessment strategies methods and tools appropriate to foster self directed learning in all modes of delivery

Attitudes towards English in Europe Andrew Linn, Neil Bermel, Gibson Ferguson, 2015-07-24 The status of English in Europe is changing and this book offers a series of studies of attitudes to English today Until recently English was often seen as an opportunity for Europeans to take part in the global market but increasingly English is viewed as a threat to the national languages of Europe and the idea that Europeans are equally at home in English is being challenged This book will appeal to anyone interested in global English

Studies in the History of the English Language VI Michael Adams, Laurel J. Brinton, R.D. Fulk, 2014-12-12 The relationships among data evidence and methodology in English historical linguistics are perennially vexed This volume which ranges chronologically from Old to Present Day English and from manuscripts to corpora challenges a wide variety of assumptions and practices and illustrates how diverse methods and approaches construct evidence for historical linguistic arguments from an increasingly large and diverse body of linguistic data
