**The Walk with the Word Daniel Study Guide** D E Isom, 2020-11-21 This is not a commentary but a series of Bible studies employing the Inductive Study Approach in order to arrive at a knowledge of how the text should be personally

applied to one's life Formatted in a question and answer format it facilitates the process of observation what does the text say interpretation what does the text mean and the ultimate goal of application how should I personally apply the text to my life In this author's opinion it is impossible to grasp the whole prophetic picture and even many of the individual details and milestones without building firmly on this progressive foundation of first learning Daniel then the Olivet Discourse and finally on to Revelation The number one culprit of error in this area is most often traced to someone placing an over emphasis on only one of these teachings or over realizing a single aspect of just one of them Revelation cannot be properly understood in isolation from Daniel and the Olivet Discourse In fact if the Early Church who first received Revelation had perceived in even the smallest way that it contradicted made obsolete or outright replaced even one letter of one word in Daniel and the Olivet Discourse it would have been soundly rejected no matter what the authorship The amount of material in Daniel which is recapitulated in Revelation is astounding Rather than presenting another commentary to document the various views and alternative interpretations of Daniel these Bible studies at least provide the opportunity to examine the text and personally seek how God would see it realized in our personal life as we begin to experience these events in our lifetime *The Daniel Plan Bible Study Guide* Rick Warren, 2013-12-03 Feast on Something Bigger than a Fad This six session video based small group study DVD digital video sold separately from Rick Warren Dr Daniel Amen and Dr Mark Hyman is centered on five essentials that will launch your journey to health faith food fitness focus and friends With support from medical and fitness experts Pastor Rick Warren and thousands of people from his congregation started on a journey to transform their own lives It's called The Daniel Plan and it works for one simple reason God designed your body to be healthy and He provided everything you need to thrive and live an abundant life This small group study is a vital component of The Daniel Plan because it emphasizes the powerful community component of the program As Dr Mark Hyman says community is the cure for healthy living The Daniel Plan small group study teaches simple ways to incorporate healthy choices into your daily lifestyle This study guide includes biblical inspiration from Pastor Rick instruction from our doctors and wellness experts practical food and fitness tips and much more Sessions include Faith Nurturing Your Soul Food Enjoying God's Abundance Fitness Strengthening Your Body Focus Renewing Your Mind Friends Encouraging Each Other Living the Lifestyle Designed for use with The Daniel Plan Video Study 9780310824459 sold separately
