Dictionary of Film Finance and Distribution John W. Cones, 2013 This dictionary is an aid to anyone involved in seeking to finance a feature film project especially independents It covers terms used in film production and distribution marketing accounting insurance securities corporate structures and general financial arenas All of the principal forms of feature film finance are covered including studio distributors production companies lending institutions co financing pre sales grants foreign and passive investor financing involving the sale of a security

The Complete Film Production Handbook Eve Light Honthaner, 2010 Comprehensive guide that covers everything from pre production through wrap and post production and includes chapters on independent and low budget filmmaking television commercials incentives effects and new media Cover

Component-based Digital Movie Production Marcus Pankow, 2008-08-02 Digitization has an enormous impact on the media industry While the music and in part also the book industry have already been analyzed thoroughly under the aspect of digitization scientific discussions are devoid of in depth analyses regarding the possibilities and consequences of digitization in the movie and television business Various individual aspects have indeed been discussed However assuming a continuous and ubiquitous digitization of production and distribution an overview covering all aspects of entrepreneurial activities notably in the film business is missing The film industry is currently still employing rather traditional criteria and has seemingly only opened itself to digitization in certain areas There is no reason however why in the area of movie production the entire process could not be controlled and managed digitally The project networks which are the typical organization forms within the movie business could then be set up and coordinated in a completely different way

Film Finance & Distribution John W. Cones, 1992 Film Finance and Distribution defines those thorny legal and financial terms that often elude novice filmmakers and impede their attempts to secure financing and distribution The entries provide commentary on approaches to film finance and distribution definitions of production and post production technical terms definitions of unique film industry practices and procedures in a variety of areas and an extensive cross referencing of terms Cones offers definitions and advice This dictionary's harrowing journey through the depths of studio creative accounting is both revealing and frightening a must read for all filmmakers
