Still others focus on a particular medium such as digital filmmaking. *The Complete Idiot's Guide to Film Making* covers all of these topics and more. This book will appeal to film students, wannabe film students, and writers tired of trying to get their own work sold, distributed, and want to go it alone. *The Complete Idiot's Guide to Film Making* will do for aspiring filmmakers what *The Complete Idiot's Guide to Screenwriting* is doing for aspiring screenwriters. In fact, this book should have the added luxury of also appealing to aspiring screenwriters, especially those who have struggled to get their work purchased, who have considered trying to produce and direct their own screenplays. Regardless of motivation for picking up *The Complete Idiot's Guide to Film Making*, readers will find it to be the most comprehensive book on the subject and on two different levels. First, it will cover every aspect of the filmmaking process, from script to pre-production to directing to post-production to distribution. Secondly, it will cover virtually every form of filmmaking, including independent features, Hollywood films, television movies, documentaries, corporate and educational films, reality films, digital, Internet films, and music videos.
