Alibi Teri Woods,2009-08-06 Two men think they ve found the perfect opportunity a chance to rob the stash house of Simon Shuller one of Philadelphia s biggest drug lords But their plans are spoiled when one of Shuller s men catches them as they break into the stash house Temperatures flare as the men capture Shuller s worker Poncho and force him to show them the goods What they didn t expect was for Poncho s partner to be armed and very dangerous An altercation breaks out and when the smoke clears Nard Poncho s accomplice is the only one left standing Thinking quickly Nard cleans shop and makes his escape but not before being spotted by a few neighbors Not wanting to kill anyone else he makes a mad dash for the streets but wonders if the witnesses will give up his identity What he needs now is a plausible alibi If he doesn t come up with one fast it could mean life in prison or death on the streets
