

Dear Parent or Guardian,

Homework is a powerful tool for learning and a necessary part of any student's successful mastery of skills and knowledge. You can expect that your child will have various homework assignments during science and social studies. These assignments will usually take no longer than twenty minutes to complete. On weekends, I will make no formal assignments, but students can use this time to read, research, and work on projects.

Homework due dates will be given on the day it is assigned. I expect students to turn work in on time. Students will be required to turn in their homework to the homework bin located on my desk. Homework will not be graded, but will be checked for completeness and understanding of material. If there is a problem, please send a note to let me know so that I can help your child. After three incomplete homework assignments, a letter will be sent home to notify you of the missed assignments.

During the first few months of school, I will be initialing student assignment books after a homework assignment is given. As the year progresses and students work towards independence, I will be giving them more responsibility to hold themselves accountable in keeping track of their homework assignments. Daily homework assignments can also be found on my teacher website that is on the Warwick School District website.

You can help your child do well on homework assignments by setting aside a study time each night, encouraging good work habits, and contacting me if there is a problem that we can all solve together.

Please discuss these points with your child. Please sign below and return the bottom portion of this letter to school with your child by Tuesday, September 11<sup>th</sup>. Keep the part above the dotted line for your reference.

Sincerely,

\_\_\_\_\_

I have read this homework policy and discussed it with my child.
