gentleman who goes to immense trouble and expends great skill to catch fish all of which he returns to the water What could be more sporting than that In my own case I caught my first trout on fly and it was at a later date that I enjoyed flood fishing with the worm So with salmon my first fish was on a fly and it was in later years that I learned spinning with the difficult centre pin reel and then went on through almost all the spinning reels that were manufactured Eventually I turned to the fly completely for the simple reason that I love fly fishing better than any other method I have tried Today as I see it too many beginners buy a fixed spool reel find it simple to work and then gaining an impression that fly casting is difficult they go on bait fishing or spinning even though they feel they would like to try the fly I am not going to say that there is anything wrong in this but I do feel that many of our younger anglers today would like to try fly fishing if only they had someone to guide them at the start If in this way I can help even a few anglers to share the joy and the satisfaction that fly fishing has given to me over the years I will have been amply repaid
