Just One Thing:

Made Like Martha Katie M. Reid, 2018-07-10 An invitation for overachievers to discover what it means to rest as God's daughters without compromising their God-given design as doers. Are you a Martha who feels guilty for not being a Mary? Do you want to sit at Jesus's feet as Mary did but you feel the need to get things done? In *Made Like Martha*, Katie M. Reid invites you to exchange try-hard striving for hope-filled freedom without abandoning your doer's heart in the process. Through her own story and rich biblical illustrations, Katie reminds you that it's not important whether you sit and listen or stand and work. What matters is that your spiritual posture is one of a beloved daughter who knows she doesn't need to earn God's love. Your desire to get things done is not something to temper but something to embrace as you serve from a place of strength and peace, knowing Christ already did His most important work for you on the cross. With *It Is Finished* activities at the end of each chapter and a five-week Bible study included, *Made Like Martha* helps you find rest from striving even as you celebrate your God-given design to do. *Made Like Martha* will infuse your life with a fresh perspective as you learn both to embrace your God-given personality and also discover how and when to rest and retreat. Karen Ehman, Proverbs 31 Ministries speaker and New York Times bestselling author of *Keep It Shut*. **Group Cognitive Behavioral Therapy for PTSD** J. GAYLE.

BECK, 2025-01-07 This Workbook and the accompanying Therapist Guide is designed to assist clinicians in delivering Cognitive Behavior Therapy (CBT) in a group setting to clients with PTSD. The book integrates best practices derived from group therapy literature with evidence-based cognitive behavioral approaches targeting PTSD and frequently co-occurring conditions such as depression, anxiety, and social isolation. Group CBT has been tested with both Veteran and non-Veteran populations and shown to reduce symptoms of PTSD and improve quality of life, overall functioning, and life satisfaction. The Workbook moves through the program session by session and includes helpful information sheets, worksheets, and forms designed to track progress and facilitate mastery of specific CBT techniques and enhance mental wellbeing. Using the exercises, clients will learn how to monitor feelings, thoughts, and behaviors; confront uncomfortable emotions; and learn more effective ways of coping with their experiences. **How to Overcome Death** Glen C. Cutlip, 2000-02-28

The overcoming of death is a serious undertaking because death is a part of the nature of one's being and therefore not what it appears to be. When death is reconciled with life, it becomes a means of interdimensional travel. We realize that it wasn't there in the first place. Therefore, the overcoming of death is to take place within one's present consciousness for death is the counterpart of life in the first place. Therefore, the resurrection unto life is from the death that is hidden in life. It is the dead that appear to be living that are resurrected unto life. Death is something that is a part of one's present consciousness, not something off somewhere in the so-called afterlife. The resurrection of the dead is unto conscious life or immortality or back into the realm of unconscious death for life and death occupy the same space. It is a matter of seeing death as it is, not just as it appears to be. In that death is not what it appears to be, the overcoming of death is not what it appears to be. Therefore, it is a real

possibility It can be realized within ones lifetime The Overcoming of Death is the means of bringing the realization of conscious immortality to the awareness of ones present consciousness in this lifetime It reveals why it is that losing life is finding it and how it is that it is the dead that are living that hear the voice of the Son of God and are resurrected from the dead
