

Summary

Just So Stories (1902) is a collection of 12 children's stories by [Rudyard Kipling](#). Other editions, including the US edition published in 1903, contain a 13th story, but the original 12 are the most frequently reproduced. First told as bedtime stories for Kipling's young daughter, most of the stories describe whimsical ways in which features of the natural world came to be. The Camel earns his hump by being lazy and refusing to work for man with the other animals at the beginning of the world; the Tortoise and the Hedgehog teach each other their tricks until they turn into armadillos; the Leopard's spots are painted on by an Ethiopian man to better hunt in the shade of the forest. Each of these tales explores **The Relationship Between Man and Animals** and **The Lasting Consequences of Actions**, all while teaching young readers important lessons about **Living With Morality and Integrity**. Known for clever word play, rhyming, and alliteration, *Just So Stories* remains a cherished children's classic.

This guide uses the 2010 First Signet Classics Kindle edition.

Content Warning: The source material and guide feature depictions of racism and violence.

Language Note: Rudyard Kipling grew up in colonial India in the mid-1800s. He believed in imperialism and the inferiority of non-white people and some of that belief is reflected in his work, including *Just So Stories*, which includes some racial slurs and insensitive language that were common ways to refer to people of color at the time of writing.

Plot Summaries

Just So Stories contains 12 stories that explain how certain things came to be, often along with a moral lesson.

In "How the Whale Got His Throat," a hungry Whale eats everything in the ocean until just one small fish is left. Hoping to save himself, the fish suggests that the Whale eat a shipwrecked Mariner instead. The Whale swallows the Mariner along with his raft, but the man makes such a ruckus in the Whale's stomach that he agrees to deliver him back to land. The Whale sets the Mariner free, but he secures his raft in the creature's throat to ensure he can never swallow anything large ever again.
