**Materials and Methods in ELT** Jo McDonough, Christopher Shaw, Hitomi Masuhara, 2013-01-04. Featuring extensive updates and revisions, the 3rd edition of *Materials and Methods in ELT* offers a comprehensive and useful introduction to the principles and practice of teaching English as a foreign second language. A popular and practical guide for teachers in training and for students studying methods and materials. Features a new chapter on IT in English language teaching, new samples from current teaching materials, plus a new section on technology for materials and methods. Covers how to approach materials and methods, evaluation and adaptation technology for materials and methods, and teaching in under-resourced classrooms. Examines the different methods available to teachers for organizing and managing an ELT classroom, including group and pair work, individualization, and classroom observation.

*Teaching English as a Foreign or Second Language, Second Edition* Jerry G. Gebhard, 2006-01-10. *Teaching English as a Foreign or Second Language, Second Edition* is designed for those new to ESL/EFL teaching and for self-motivated teachers who seek to maximize their potential and enhance the learning of their students. This guide provides basic information that ESL/EFL teachers should know before they start teaching, and many ideas on how to guide students in the skills of listening, speaking, reading, and writing. It stresses the multifaceted nature of teaching the English language to non-native speakers and is based on the real experiences of teachers. The second edition of *Teaching English as a Foreign or Second Language* includes a wider range of examples to coincide with a variety of teaching contexts, from K-12 schools to university intensive language programs and refugee programs. It is also updated with discussions of technology throughout and it considers ways in which technology can be used in teaching language skills. Sources for further study are included in each chapter and in the appendixes.
