Outsmart the MBA Clones Dan Herman, 2008 Dan Herman s book is not really about M B A s it s just badly titled Actually his subject is the continuing power of product differentiation and he is challenging how marketers conceptualize their work He explains how to electrify consumers by developing innovative products and services that your M B A clone competitors are reluctant to imitate thereby

handing you a monopoly Herman comes out swinging as a bold strategist but because his thinking is both nuanced and complex his book is sometimes difficult to follow Still getAbstract considers it a useful text in marketing strategy and recommends it to marketers of all stripes Even if you decide not to follow Herman s logic down all its paths you can harness his clever ideas and out market all those M B A clones
