Forgotten Wives Ann Oakley,2021-07-06 Throughout history records of women s lives and work have been lost through the pervasive assumption of male dominance Wives especially disappear as supporters of their husbands work as unpaid and often unacknowledged secretaries and research assistants and as managers of men s domestic domains even intellectual collaboration tends to be portrayed as normative wifely behaviour rather than as joint work Forgotten Wives

examines the ways in which the institution and status of marriage has contributed to the active disremembering of women's achievements. Drawing on archives, biographies, autobiographies, and historical accounts, best-selling author and academic Ann Oakley interrogates conventions of history and biography writing using the case studies of four women married to well-known men: Charlotte Shaw, Mary Booth, Jeannette Tawney, and Janet Beveridge. Asking critical questions about the mechanisms that maintain gender inequality despite thriving feminist and other equal rights movements, she contributes a fresh vision of how the welfare state developed in the early 20th century.
