by various "neighbors" in the lesson, identify and explain at least **THREE OPTIONS** associated with "going to college." (You are provided with the first option as an example)

Option 1: Take out loans to pay for your college education. You will have to pay those loans back, but you increase your chances of being in a job that you like and/or making good money.

Option 2: I transferred colleges twice and took out student loans. I also changed my major a lot. I'm happy now in my career, and my loan is only \$300 per month, but it took me six years to graduate, and I still have loans to pay back.

Option 3: I went to community college and got an associate's degree. I worked while going to school. This helped me pay for school without taking out loans.
