Revolution, Counterrevolution and Assassination Through World War II Robert C. Cottrell, 2024-12-13 Since the French Revolution the quest for revolutionary transformation and the fear of such change became deeply ingrained in the global landscape through World War II Modern revolutions inspired counterrevolutions that strove to turn back time to an allegedly purer finer more moral period than the upheaval and anarchy linked to a revolutionary epoch Revolutions often occurred through violence and entailed a disruption of existing social economic and political orders Counterrevolutions were equally guilty and frequently more so of horrific bloodletting in the name of restoring law and order often by shredding legal and ethical norms Drawing from a vast array of sources both primary and secondary this first of a two volume set presents a highly detailed narrative of an unholy trinity revolution counterrevolution and assassination Combining intellectual political social and cultural history this book highlights international protagonists movements and ideas supporting the radical or reactionary upheaval of society and the means that have been used to do so
