travelers leave home Monday morning for a work week in the Chicago office saying Love yah honey see you Friday The hero  
in Rules for the Road is a quantum leap from that lucky character Last Friday afternoon he kissed his wife passionately and  
said Love you Darling hope to see you before next month arrives You dont fly home on Friday afternoons when you find  
yourself halfway around the world We join our hero on a train in China headed for Nanjing where he and his team are about  
to begin another round of negotiations with a Chinese company to enter into a joint venture The meetings however quickly  
take a back seat to the culture of the people their mannerisms food drink and the winsome ways of their women with a  
personal agenda When the trip gets extended by an extra week and a half his life and the temptations of the flesh become  
almost intolerable Getting through the trip and back into his Darling s arms becomes a day to day challenge to say the least
