**Jewish Chronicle Travel Guide** ,1966 Israel Jesse Russell,2019-11-19 Israel Travel Guide Israel has always been an alluring destination From biblical times to present day this slice of holy land in the Middle East has long attracted visitors It has also attracted turmoil as Israel has always been a politically sensitive and controversial country Nevertheless its appeal for visitors is enormous and the day to day issues facing residents have little effect on those coming to appreciate its astounding historic relics impressive religious sites and exquisite natural beauty Home to the Mount of Olives the Sea of Galilee and the ancient port of Jaffa it s hard to go anywhere in Israel without stumbling upon a place of religious significance But nothing can compare to the holy city of Jerusalem Sacred to Jews Muslims and Christians alike this ancient metropolis is claimed by both Israel and Palestine and its status remains one of the core issues of the Israeli Palestinian conflict Jerusalem s stunning skyline is a complete contrast to the touchy political landscape with its beautiful bell towers striking minarets and the golden dome of the Al Aqsa Mosque Split into Arabic Jewish and Christian quarters this cultural melting pot translates into a sumptuous culinary scene as well as a feast for the eyes and experiences Visually Tel Aviv seems a world away from Jerusalem Israel s commercial and political heart is a city of glistening skyscrapers thronging streets and sandy beaches of contemporary art galleries excellent restaurants and hedonistic inhabitants Quite a contrast then to neighbouring Jaffa a historic port city of sprawling markets cobbled docks and crumbling city walls This juxtaposition of old and new is typical in Israel where ancient cities like Nazareth and Acre exist alongside modern metropolises such as Haifa home to the Baha i Gardens and Eilat a beach oasis unlike any other Israel s landscapes are equally diverse Mountains deserts and fertile valleys can all be found in this sliver of the Middle East while the Dead Sea Red Sea Sea of Galilee and Mediterranean coastlines offer everything from unique geological spectacles to seaside holiday resorts If you can read beyond the headlines and see past the politics you will find a beautiful and beguiling nation quite unlike anywhere else on Earth
