Now Is the Accepted Time Theophan the Recluse, 2026-01-01 Behold now is the accepted time behold now is the day of salvation 2 Cor 6 2 St Theophan the Recluse one of the greatest teachers of the Russian Orthodox Church was steeped in the patristic tradition He calls all to salvation through the joy of repentance confession and holy communion These sermons delivered by the saint over a number of years are organized thematically to reveal the meaning of the liturgical life of the Church and its application to our lives They begin with the preparatory period before the Fast and continue through it culminating in the time of Holy Week St Theophan is concise clear and profound Drawing from early patristic commentary he shows the specific actions the enemy of our salvation the devil uses to weaken a person in mind soul and body and gives the reader tools to fight back against him The reader is assured that the Lord will tangibly grant him the knowledge that his labor is not in vain and his path is not misguided Thus this book will inspire the reader to enter into the Lenten season with renewed hope Oh that the Lord Himself would help us never to be deprived of His abiding in us The Lord is in us Let us take care to keep Him within ourselves forever St Theophan *The Prayers of the New Missal* Anscar J. Chupungco, 2013-05-01 After the publication of The Roman Missal Third Edition much attention was given to the catechesis of the clergy and the faithful on the Order of Mass which contains the chief theological and spiritual elements of the eucharistic celebration In The Prayers of the New Missal Anscar J Chupungco expands the reader's focus to the other parts of the Mass namely the orations or the Collect Prayer over the Offerings Prayer after Communion and Prayer over the People He demonstrates that these elements too are a rich source of doctrine and spirituality waiting to be shared with others through homily and catechesis Preachers and catechists will especially appreciate Father Chupungco's recommendations for approaching the difficult and sometimes vexing structure and vocabulary of the new Missal He offers helpful exercises for analyzing the Latin texts comparing the original and the English versions and crafting provisional literal translations that will aid in easier comprehension Finally he concludes with an ample sampling of homiletic and catechetical notes that will serve as a rich source of nourishment for preaching and catechesis Anscar J Chupungco OSB who passed away in 2013 was a member of the Abbey of Our Lady of Montserrat in the Philippines He was president of the Pontifical Liturgical Institute in Rome and is currently director of Paul VI Institute of Liturgy in the Philippines In 2011 the Federation of Diocesan Liturgical Commissions presented to him the Frederick R McManus Award for his contribution to pastoral liturgy He authored many books including What Then Is Liturgy Musings and Memoir Liturgical Press 2010 [The American Architect and Building News](#) ,1891
