custom automotive project begins with making choices There are choices under the hood such as which engine will match
well with a certain chassis and transmission There are aesthetic choices like whether to use custom or stock wheels what
paint scheme will look best and what type of interior will be comfortable as well as eye catching Each decision involves an
investment of money and time Often what seems plausible in the imagination fails in execution And only after spending hours
of time and thousands of dollars does it become clear that something is not right Street Machines Classic Muscle Modern is
