Your Literacy Standards Companion, Grades K-2 Sharon Taberski, Jim Burke, 2017-05-23 Standards based learning just got a lot easier This new version of the Common Core Companion provides a Smart Chart Index for all states implementing state specific ELA standards This index allows you to see in an instant which of your standards are the same as CCSS which differ and how and which page number to turn to for standards based teaching ideas Beyond that It s the same great go to guide for implementing the standards translating each and every standard for reading writing speaking and listening language and foundational skills into the day to day what you do *Kindergarten and the Common Core* Kathy Brown, Sarah Martino, 2014-01-01 How do we teach with rigor to our youngest learners How do we implement standards that spell out quite clearly what students must know but do not give us either the methods or materials that help our students achieve such skills This professional resource provides practical routines and developmentally appropriate activities that foster an environment where our youngest learners can thrive in mastering core kindergarten content along with the Common Core standards The routines and activities in this book have been thoroughly classroom tested and aligned with best practices The authors show you how to create a magical kindergarten environment that creates a community of confident learners full of excitement and enthusiasm *Expect More: Children Can Do Remarkable Things* Anne Grall Reichel, Ed.D., 2010-09-22 This book encourages teachers parents grandparents and volunteers who work with children to expect more It focuses on the skills children will need to compete in a highly competitive global economy From systems thinking to interpreting complex visual images to integrative thinking our children need a whole new skill set For too long science and social studies have been moved to the back burner Ironically these subjects hold great interest and opportunity to investigate concepts in depth We need to bring them to center stage Throughout the book the author provides many concrete examples of ways for teachers and parents to engage children in meaningful conversation and problem solving Somewhere along the way we seem to have stopped challenging children and started enabling them instead Perhaps this is through no fault of our own As teachers and parents we genuinely care about children We feel for them when they are sick when they are bullied or when they are struggling Quite simply it is our nature to protect With the best of intentions we tend to try and eliminate the struggle But the struggle is essential to growth and a personal sense of accomplishment As children work their way through challenges they build the confidence and habits of mind needed to embrace the next challenge that comes along This book is an invitation to adults to expect more of themselves and of the children they care about The invitation is yours to accept

When Teacher Voices Are Heard Elizabeth Birnam, Debora Nary, 2013-04-09 Moving towards the Common Core Standards in reading and writing the time is right for school districts to reform literacy instruction by focusing their instruction around the needs of their diverse student population and the teaching styles of their teachers There is no better way to do this than through a teacher created home grown literacy program that aligns standards with student needs all

while remaining cognizant of the teachers who implement the curriculum In the process teachers emerge as literacy leaders The leadership paradigm shifts away from the principal as sole decision maker and through a shared vision and collective efficacy classroom teachers and administration form an alliance that ensures success for all students Because it is the shared responsibility to adapt the program to the learner the hallmark of this instructional reform is relevant job embedded professional development that is provided in a timely fashion This fosters a democratic learning community where decisions are made together and the status quo is challenged

**Optimize Your School** Lyle Lee Jenkins, 2015-05-06 Lead the change that you want to see in your school Is your school or district heading in the right direction In this essential guide for leaders Lee Jenkins shows how to unite and energize your team as never before while helping your students to love learning and crave achievement A trusted advisor to numerous districts Jenkins knows how to successfully transform school culture for the long term Beginning with an introduction from scholar Michael Fullan each chapter presents compelling insights and strategies for leaders addressing how to Evolve your leadership style to guide empower and serve Apply the principles of continuous strategic improvement as an antidote to win lose approaches to school accountability Develop a healthy positive culture of achievement by deeply engaging your students in their own progress and success Turn to this resource and prepare to lead positive change from the classroom to the staff room and beyond This book creates a whole picture approach to school improvement while shunning the current top down model in favor of a school led plan The approach not only increases school performances but values the school level leadership and instructional faculty Amanda Mayeaux Career Management Specialist Iberville Parish Schools If your district is ready to move from arbitrary to observable from fractured to focused and from silos to systems you've found the book that can move entire organizations from a goal mindset to a growth mindset Lee Jenkins provides common sense strategies that impact the efficiency and effectiveness of our classrooms with a clear focus on student growth In an educational era saturated with the latest remedy for what ails us Lee provides a refreshing cure by offering simple solutions for lasting change Dr Jane Stavem Associate Superintendent for Instruction Lincoln Public Schools Lincoln NE
