Fiske Guide To Colleges 2015:

The Fiske Guide to Colleges 2015 Edward B. Fiske, Shawn Logue, 2014 The best college guide you can buy USA Today This leading guide to more than 300 colleges and universities has been an indispensable source of information for college bound students and their parents Hip honest and straightforward The Fiske Guide to Colleges delivers an insider's look at the academic climates and the social and extracurricular scenes at the best and most interesting schools in the U S Canada Great Britain and Ireland Includes Fiske's exclusive academic social and quality of life ratings Fiske's Best Buys schools that deliver the best education at the most reasonable costs Lists of each school's strongest majors and programs Candid comments from each school's current students A self quiz to help students understand which college is right for them And more

Universities and Colleges David Palfreyman, Paul Temple, 2017-12-15 What is a university What is the University How have universities evolved over the centuries How might they change over the coming decades as the physical and organisational entity most identified with higher education being delivered to over 250 million students What will be the impact of digital and distance learning of commercial for profit new entrants to the higher education market of government austerity of globalization of student consumerism Exploring the origins and the concept the idea and the ideal of the university this Very Short Introduction discusses one of the world's oldest most resilient and most adaptable institutions David Palfreyman and Paul Temple consider the links between universities and the economy and the role of universities within society Highlighting some of the key questions surrounding the position of universities they ask how the university can be politically accountable for its taxpayer funding if it needs to be autonomous to function effectively as a public good Are professors professional enough in their teaching practices at a time that increasing tuition fees transform students more and more into consumers And just what does academic freedom for university faculties really entail ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Teaching, Including, and Supporting College Students with Intellectual Disabilities Kelly R. Kelley, David L. Westling, 2019-05-29 Teaching Including and Supporting College Students with Intellectual Disabilities provides higher education professionals and proponents of post secondary education programs for students with intellectual disabilities ID with a comprehensive guide to developing new programs and inclusive practices for college students with ID Drawing on their own extensive experience with inclusive college programs the authors outline lessons learned and offer helpful advice for developing organizing and implementing such programs Covering topics from operating key program elements such as career training and preparing for post program success to working with families and addressing safety issues this book is both a practical resource and a springboard for generating innovative ideas to expand inclusive learning and living opportunities for individuals with ID This

valuable resource provides a research based overview of the key elements that any higher education professional or advocate should know when supporting students with and without disabilities Winds of Change ,2016 **The Truth about**

College Admission Workbook Brennan Barnard,Rick Clark,2021-09-28 Finally A workbook that guides you and your family through a positive college admission experience College admission has always been complicated and COVID 19 has changed the college search and selection process in profound and challenging ways But the authors behind the best selling The Truth about College Admission are here to help with a new college admission workbook that puts the complex process into the hands of students and those who support them Packed with activities and exercises it s designed to help students find multiple colleges where they can not only get in afford to go and thrive on campus but also enjoy the adventure along the way From building a balanced list of schools to research and visit to writing essays preparing for interviews and ultimately choosing a college to attend the interactive exercises in this comprehensive workbook provide students with important questions to ask information to consider and the preparation they need to help them focus more on how they ultimately arrive on a college campus rather than precisely where their journey takes them If done right college counselor Brennan Barnard and undergraduate admission director Rick Clark demonstrate college admission can be more like the college experience itself an opportunity to grow learn discover enjoy and build close lasting relationships A companion resource to The Truth about College Admission A Family Guide to Getting In and Staying Together each chapter in this guide is designed to help high school classes small study groups or individual students and their families focus on the most important questions to ask steps to take and conversations to have as they apply to college Full of accurate information and experience based insight this workbook cuts out the noise and stress instead encouraging students to reflect research and regain perspective
