

Rules and Regulations:

The line of scrimmage for each team is an imaginary line which passes through the end of the football nearest to them and extends from sideline to sideline.

The area between the lines of scrimmage is the "neutral zone."

Offensive teams must have at least four players on the line of scrimmage when the ball is snapped.

The snap is backward pass through the leg of the center, as the quarterback puts the ball into play.

The center's snap must be a quick, continuous motion, without moving feet or lifting a hand.

Other players have to stay still on the line of scrimmage until the ball has been snapped.

No players are allowed to enter the neutral zone or move toward the opponent's goal line during a snap.

A team gets four attempts or downs to gain a first down or to score a touchdown.

Each time a team moves the ball ten yards down the field, it is awarded a new set of four downs. However, if the team fails to advance ten yards, the ball is given to the other team at the point it became dead at the conclusion of the fourth down.

Players can kick, carry, or throw the ball to advance it down the field.

All players are eligible to receive forward passes.

If the player with the ball has his/her flag pulled or goes out of bounds, he/she is called "down" and the ball is dead.

The ball is deemed dead where it hits the ground or at the point where the player carrying the ball falls down, his/her knee touches the ground, his/her flag falls off, or his/her flag is pulled off.

A defender may knock down a pass in the air.

Playing Area: Flag football fields are rectangular and typically measures between 50 and 70 yards long and between 20 and 30 yards wide. There are goal lines at each end of the field leading into 10-yard end zones.

Equipment: The only required equipment is flags or flag belts and a football. Guarding the flag/flag belt is not allowed and flags must be worn on the outside of the players' clothing, and easily accessible by the opposition.
