Making Money Discworld Novel:

Making Money Terry Pratchett, 2007 Fantasy roman *Making Money* Terry Pratchett, 2009-10-13 Outlandish fun Making Money balances satire knockabout farce and close observation of human and non human foibles with impressive dexterity and deceptive ease The result is another ingenious entertainment from the preeminent comic fantasist of our time Washington Post The hero of *Going Postal* has an even more dangerous job than the mail overseeing the tanking Royal Bank and the printing of Ankh Morpork s first paper currency in this brilliant installment in New York Times bestselling author Sir Terry Pratchett s beloved Discworld series The Royal Bank of Ankh Morpork is facing a crisis and who better to manage it than the man who turned around Ankh Morpork s inefficient Post Office former arch swindler turned Postmaster General Moist von Lipwig Lord Vetinari once again makes Moist an offer he can t refuse resuscitate the venerable Royal Mint The bank has many problems the chief cashier is almost certainly a vampire the elderly chairman and her two loaded crossbows needs a daily walkie there s something strange happening in the cellar and running the Royal Mint is costing a mint As Moist begins to make some ambitious changes he accrues some dangerous enemies Everyone knows money is power and certain stakeholders will do anything to keep a firm grip on both The Discworld novels can be read in any order but *Making Money* is the second book in the Moist von Lipwig series The full series in order includes *Going Postal* *Making Money* *Raising Steam*

Making Money Terry Pratchett, 2014-03-27 As bright and shiny as a newly minted coin clever engaging and laugh out loud funny The Times The Discworld is very much like our own if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle that is Whoever said you can t fool an honest man wasn t one The Royal Bank is facing a crisis and it s time for a change of management There are a few problems that may arise with the job The Chief Cashier is almost certainly a vampire there s something nameless in the cellar and it turns out that the Royal Mint runs at a loss Meanwhile people actually want to know where the money s gone It s a job for life But as former con man Moist von Lipwig is learning that life is not necessarily a long one He s about to be exposed as a fraud but if he s lucky the Assassins Guild might get him first In fact a lot of people want him dead Everywhere he looks he s making enemies Oh And every day he has to take the Chairman for walkies _____ The Discworld novels can be read in any order but

Making Money is the second book in the Moist von Lipwig series *Making Money* Terry Pratchett, 2007-09-18 The Ankh Morpork Post Office is running like well not at all like a government office The mail is delivered promptly meetings start and end on time five out of six letters relegated to the Blind Letter Office ultimately wend their way to the correct addresses Postmaster General Moist von Lipwig former arch swindler and confidence man has exceeded all expectations including his own So it s somewhat disconcerting when Lord Vetinari summons Moist to the palace and asks Tell me Mr Lipwig would you like to make some real money Vetinari isn t talking about wages of course He s referring rather to the Royal Mint of Ankh Morpork a venerable institution that haas run for centuries on the hereditary employment of the Men of the Sheds and their

loyal outworkers who do make money in their spare time Unfortunately it costs more than a penny to make a penny so the whole process seems somewhat counterintuitive Next door at the Royal Bank the Gloop an analogy machine has scientifically established that one never has quite as much money at the end of the week as one thinks one should and the bank's chairman one elderly Topsy n e Turvy Lavish keeps two loaded crossbows at her desk Oh and the chief clerk is probably a vampire But before Moist has time to fully consider Vetinari's question fate answers it for him Now he's not only making money but enemies too he's got to spring a prisoner from jail break into his own bank vault stop the new manager from licking his face and above all find out where all the gold has gone otherwise his life in banking while very exciting is going to be really really short
