Management S Discussion And Analysis Best Practices Report:

Management's Discussion and Analysis Best Practices Report Accounting and Accounting and Auditing Policy Committee, 2015-01-03 The MD A should provide management s view of actual current performance and financial results as well as expectations about the future It should be grounded in facts and provide meaningful explanatory data rather than be a series of vague and or generally positive statements or vignettes about the entity s successes The MD A should present a balanced discussion of negative as well as positive results and it should relate financial results especially costs to performance and both to strategic goals
