Flight From Hell:

Journeys into Terror Cynthia J. Miller, A. Bowdoin Van Riper, 2023-05-15 Since ancient times explorers and adventurers have captured popular imagination with their frightening narratives of travels gone wrong Usually these stories heavily feature the exotic or unknown and can transform any journey into a nightmare Stories of such horrific happenings have a long and rich history that stretches from folktales to contemporary media narratives This work presents eighteen essays that explore the ways in which these texts reflect and shape our fear and fascination surrounding travel posing new questions about the geographies of evil and how our notions of terrible places and their inhabitants change over time The volume's five thematic sections offer new insights into how power privilege uncanny landscapes misbegotten quests hellish commutes and deadly vacations can turn our travels into terror Milton's Paradise lost, books i. and ii.
