

My Autobiography

My name is Mae Pauline Novesteras Gaoiran. I was born on August 10, 1997 at Calalang General Hospital Valenzuela City. I'm sixteen years old and at the same time sixteen years in the grace of God. I live in Ramos, Tarlac. But I'm living here right now at Baguio City. My father's name was Gamaliel Gaoiran and my mother's name was Paulina Gaoiran. I have two sisters named Ghirlie Anne and Dapnie, they were both schooling too.

I started study when I was five-years-old. I went to kindergarten and preparatory at NWPC Manila. And then I continue my elementary study at Toledo Elementary School Ramos, Tarlac. I graduated at Ramos National High School Ramos, Tarlac. I am now a first year college student at University of the Cordilleras and currently aiming to graduate my bachelors degree in Information Technology (IT) in the near future.

My favourite sports are badminton and volleyball. When I have nothing to do I read and read and read the bible to have more a wide knowledge about the glory of God. I love to surf the net, open my e-mail account on Facebook, Twitter and Instagram. I can play some musical instruments like guitar, keyboard and drums. I love reading inspirational and motivational books like Lovestrucks and the books of Pastor Ed Lapiz. My favorite movies are Passion of the Christ, Miracle in Cell Number 7, 3 Idiots, Taken, Hours, Wrong Turn, Superman, Xmen, Transformers, Ice Age, Titanic, The Odd Life of Timothy Green and many more. When it comes to cartoon series, I watch episodes of Spongebob, Phineas and Ferb, Adventure Time, Pokemon, Doraemon and Detective Conan. My favorite colors are green, gray, yellow, black and white.

Life without God is nothing. And also to a family without fear, love and peace. There is a boy who admires at me 3 years from now. Lately, I hate him so much because he's so bully. He always stay with me when we were High School and he always say to me that he loves me and I don't believe because I think that it is only a joke but he said that he's serious.

Principal Leadership for Racial Equity Candace Raskin, Melissa Krull, Antonia Felix, 2021-03-11 Enhance your capacity for antiracist leadership The COVID 19 pandemic has illuminated deep seated structural inequities in our schools and across society More than ever education leaders are being challenged to take action to disrupt the institutional racism that undergirds many of our longstanding policies and practices Our students are challenging us to step up and be antiracists who commit to the uncompromising belief all children can learn and deserve an exceptional education Based on 10 years of work leading the Institute for Courageous Principal Leadership this book guides leaders to expanding their racial consciousness through self reflection and provides the tools they need to counter implicit bias and respond to resistance Grounded in research but written in practitioner friendly language this book Focuses on systemic leadership and institutional failures as the source of predictable student outcomes Leverages research and theory to create a process for principals to build racially equitable practices Navigates the politics of leadership without compromising student achievement The practical lessons and strategies in this book will equip you with the skills to implement the leadership and actions that must be taken to confront the reality of systemic racism in education and transform schools into learning environments with a student centered commitment to high achievement for every learner

Writing the Radical Memoir Paul Williams, Shelley Davidow, 2023-05-18 For those that have mastered the basics of memoir and wish to probe this brand of creative nonfiction further Writing the Radical Memoir uses salient theories about memory and the self to challenge assumptions about how we remember and tell the truth of our lives when we write about it Innovative in approach and making new critical ideas accessible each chapter maps out the key principles of such writers as Barthes Lacan Derrida Lewis Mehl Madrona Philippe Le Jeune and Joseph Campbell invokes literary examples to show how other writers have mastered the idea before reflecting on how you can practically apply the theory to your writing With original exercises and prompts for further reading that bridge the gap between the theoretical and how it might be put into practice the book is attentive to the multiple facets of the genre of nonfiction writing generally covering such topics as The writer reader contract How to embark on a thematic symbolic exploration of themes and incidents in your life How neuro scientific theory can inform our understanding of memory and recall and what happens to our memories when we remember them Character development and the ethics of writing about real people How constructing your identity in memoir offers a chance to push back against traditional structures That memoir might not be preservation of your past but a process of self erasure How J M Coetzee's Autobiography trilogy challenges traditional biography By bringing together lived experience post structuralist and postmodernist theories praxis and artistic vision as a unique approach to writing memoir this book encourages you to think the self how it is portrayed created erased and made strange through the process of writing and remembering

A Pedagogist's Memoir Grant Rodwell, 2025-10-07 Opportunities to write our memoirs are many and varied To meet

emerging demands the memoir genre continually is evolving and it is possible for the memoirist to shape the memoirs with varying themes time and settings to be brought to bear on school education at a senior level and for a range of teacher development programs Thus the developing importance of an accompanying exegesis For better or for worse childhoods shape adult relationships and attachment styles profoundly shaping who we are as teachers teaching styles and generally the things we consider important and not so important The shape of our childhood and adolescence has a profound impact on how relationships are formed in adulthood It can affect our ability to trust be vulnerable and create productive bonds both at school and college and professionally and also our general levels of motivation Through the aforementioned theme and subthemes my memoirs here reveal how childhood struggle has shaped my approach to teaching and my academic career from an unskilled labourer from the country working class in the timber industry deprived of a high school education and recruited into the workforce at 15 years of age to a senior academic in one of Australia s G8 universities holding five PhDs With strong historical backgrounding a special appeal of this book is its drive to place childhood and adolescent events contained in the memoirs in a wider historical context looking to transnational movements such as discussions on anachronisms and eugenics In so doing the exegesis a fresh and exciting innovation is in harmony with the memoirs The memoir is so refashioned as a pedagogical tool
