Matthew S Miracle:

Matthew's Miracle Lynn S. Combes, Pamela Jo King, 2015-01-14 God answers even the smallest prayers is the message in this new book MATTHEW S MIRACLE written by Christian authors Lynn S Combes and Pamela Jo King MATTHEW S MIRACLE is a loving story that shows how a young boy with special needs overcomes bullying at school loneliness and obstacles in his life Matthew finds the ability to do things in his life he had only dreamed about with the help of his best friend a dedicated black lab Matthew places his faith in God and finds that even a prayer he thought would never be answered does get answered in God s way and timing Set in the mountains of West Virginia MATTHEWS MIRACLE shows all ages how God loves all His children and always has the perfect plan for them For I know the plans I have for you declares the Lord plans to prosper you a not to harm you plans to give you hope and a future Jeremiah 29 11 **Matthew, Disability, and Stress** Jillian D. Nelson, 2022-10-25 In Matthew Disability and Stress Examining Impaired Characters in the Context of Empire Jillian D Engelhardt examines four Matthean healing narratives focusing on the impaired characters in the scenes Her reading is informed by both empire studies and social stress theory a method that explores how the stress inherent in social location can affect psychosomatic health By examining the Roman imperial context in which common folk lived and worked she argues that attention to social and somatic circumstances which may have accompanied or caused the described disabilities impairments destabilizes readings of these stories that suggest the encounter with Jesus was straightforwardly good and the healing was permanent Instead Engelhardt proposes various new contexts for and offers more nuanced characterizations of the disabled impaired people in each discussed scene resulting in ambiguous interpretations that de center Jesus and challenge able bodied assumptions about embodiment disability and healing **The Great Commentary of Cornelius À Lapide: S. the four canonical gospels but they have often given insufficient attention to the importance of other early Christian writings This volume by an international team of authors writing under the auspices of the Tyndale House Gospels Research Project seeks to shed light on the gospels from outside the gospels It includes essays on Paul s use of the Jesus tradition the evidence of other New Testament writers the Gospel of Thomas the apocryphal gospels the apostolic fathers and on Jewish and classical traditions The essays break new ground in various respects and the volume as a whole which is concluded by Dr Richard Bauckham with an article on the problems and prospects of studying non canonical gospel traditions should prove a significant stimulus to ongoing research in this neglected area
