A Theology of Matthew's Gospel Michael J. Wilkins,2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew s Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew s gospel history theology and literature The first horizon focuses on Jesus s history ministry Here Matthew provides for us a record of God s activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew s theological perspective for his audience s Here we attempt to understand and isolate Matthew s unique theological perspective of God s activities in Jesus Messiah This is a central focus emphasizing Matthew s theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today s reader s engaging with Matthew s Gospel as literature Here we attempt to capture the significance of the perspective of today s reader s understanding of Jesus Messiah s activities in history and Matthew s theological perspective for the contemporary church In this book we view Matthew s perspective of God s activities in Jesus s unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus s example to follow and Jesus s words to obey Therefore Matthew s Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus s true identity in his deeds and introduces themes that will lead to instructions to Jesus s disciples in the Discourses The six Narratives provide the example that Jesus s disciples are commanded to obey In the five Discourses Matthew records Jesus s instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus s life provide Jesus s example to follow and the discourses give Jesus s instructions to obey and are the basis of our ongoing transformation to become like Jesus

Matthew Through the Centuries Ian Boxall,2018-11-26 The reception of the Gospel of Matthew over two millennia commentary and interpretation Matthew Through the Centuries offers an overview of the reception history of one of the most prominent gospels in Christian worship Examining the reception of Matthew from the perspectives of a wide range of

interpreters from Origen and Hilary of Poitiers to Mary Cornwallis and Bob Marley this insightful commentary explains the major trends in various ecclesial historical and cultural contexts Focusing on characteristically Matthean features detailed chapter by chapter commentary highlights diverse receptions and interpretations of the gospel Broad exploration of areas such as liturgy literature drama film hymnody political discourse and visual art illustrates the enormous impact Matthew continues to have on Judeo Christian civilization Known as the Church s Gospel Matthew s text has been the subject of apologetic and theological controversy for hundreds of years It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship Matthew has influenced divergent political spiritual and cultural figures such as Saint Francis of Assisi John Ruskin Leo Tolstoy Dietrich Bonhoeffer and Mahatma Gandhi Matthew s interest in ecclesiology provides early structures of ecclesial life such as the resolution of community disputes communal prayer and liturgical prescriptions for the Eucharist and baptism A significant addition to the acclaimed Wiley Blackwell Bible Commentaries series Matthew Through the Centuries is an indispensable resource for both students and experts in areas including religious and biblical studies literature history politics and those interested in the influence of the Bible on Western culture

Resolving the Tension of Jesus's Mission in Matthew's Ancient Biography Jerry D. Breen, 2024-10-03 Jerry D Breen argues that reading Matthew and all the Gospels as ancient biography is the necessary next step for Gospel studies In particular Breen contends that more specific comparisons should be made between the Gospels and ancient literature Breen stresses that this reading invites narrative critics to place more emphasis on examining the use of sources and the importance of intertextual and historical information that the author introduces to the text Breen places emphasis on the relationship between Jews and non Jews in ancient Galilee and Palestine and challenges the long supported theory that Jesus did not minister to non Jews beyond two or three exceptions Demonstrating that Jesus is inclusive of everyone who comes to him even though he was sent primarily to the Jews Breen argues that the portrait which Matthew creates is one of a Jewish Messiah who is on a mission to restore Israel so that the restored people of God can bless the nations Concluding that rather than two conflicting missions the audience of the gospel is encouraged to view the healing of non Jews during Jesus s ministry as further proof that the Jewish Messiah is bringing restoration to Israel *Parabolic Figures or Narrative Fictions?* Charles W. Hedrick, 2016-06-10 Hedrick contends that parables do not teach moral and religious lessons they are not in whole or part theological figures for the church Rather parables are realistic narrative fictions that like all effective fiction literature are designed to draw readers into story worlds where they make discoveries about themselves by finding their ideas challenged and subverted or affirmed The parables have endings but not final resolutions because the endings raise new complications for careful readers which require further resolution The narrative contexts and interpretations supplied by the evangelists constitute an attempt by the early church to bring the secular narratives of Jesus under the control of the church s later religious perspectives Each narrative represents a fragment of Jesus s secular vision of reality Finding himself

outside the mainstream of parables scholarship both ecclesiastical and critical Hedrick explored a literary approach to the parables in a series of essays that among other things set out the basic rationale for a literary approach to the parables of Jesus These early essays form the central section of the book They are published here in edited form along with unpublished critiques of a thoroughgoing literary approach and his response Inclusion in Action 6e Iva Strnadová, Michael Arthur-Kelly, Phil Foreman, 2021-10-01 How can classroom teachers effectively differentiate learning and teaching programs to provide for the needs of every student in their class Inclusion in Action begins by asking Why include all students in regular classrooms and then shows how this can be done It outlines the philosophy of inclusive education and focuses on the use of individualised planning and effective teaching practices to maximise learning outcomes within positive and productive environments This sixth edition is grounded in evidence based practices Universal Design for Learning UDL and Response to Intervention Expansion and focus on these educational frameworks and approaches is in line with the research evidence about what works for students with diverse abilities across different education settings Premium online teaching and learning tools are available on the MindTap platform Learn more about the online tools au cengage com mindtap
