*Stephenie Meyer* Marc Shapiro, 2010-01-05 The romance of vampire Edward and human Bella in the books *Twilight* *New Moon* *Eclipse* and *Breaking Dawn* has captured the imaginations of millions of readers and become an amazing success story No less amazing is the story of how an unknown Arizona wife and mother *Stephenie Meyer* became a superstar author In this revealing biography fans of all things *Twilight* will follow their favorite writer on her roller coaster ride to bestselling author from a childhood steeped in great literature to a comfortable domestic life and finally to that fateful dream one night that thrust *Stephenie Meyer* into a world she could only have imagined In this book you will discover An exclusive interview with *Stephenie* s creative writing teacher who reveals what kind of student she was The in depth story of how *Twilight* started with a dream and became a reality The tension *Stephenie* experienced in writing *Twilight* in secret The challenges and pitfalls involved in her books reaching the silver screen *Stephenie* s possible plans for the future And much more With eight pages of full color photos original interviews with people who are a part of *Meyer* s life never before revealed details and info on all of her fabulous books this biography is a must have for every *Twilight* fan

[Undertale](#) Anastasia Salter, 2025-10-09 What makes a real game Who is a gamer And what type of play do we value On the surface the 2015 game *Undertale* didn t seem like much supported by fan funding and with minimalist retro graphics But despite its pixelated monsters and dated role playing mechanics *Undertale* invited fans and players to rethink their very relationship with gaming and game characters Players encountered an extraordinary range of possible play experiences with paths through the game s unassuming world leading to both empathy and extreme violence offering room for reflection and growth Players could befriend sometimes queer monsters or kill them for instance appealing to each monster s unique personality to negotiate survival and find community Contextualizing this game s success in the wake of the Gamergate online harassment campaign and meditating on questions of violence and authenticity writer and game scholar Anastasia Salter offers a profound exploration of this game sensation and a personal story of hope at a time

when Salter was otherwise done with games Undertale's unique structure helped make it synonymous with indie games built outside of the studio as a passion project and inspiring similar passion among its many fans even a decade later But Undertale's story also speaks to an auteur dream What game developer Toby Fox and his collaborators accomplished on a small budget with relatively simple tools has left people replaying arguing and creating in its wake As we enter a cultural moment where intense interest is shifting towards flashy creativity powered by generative artificial intelligence Undertale reminds fans and newcomers of the power of thoughtful and intentional human design

**GameMaker** Michael Rohde,2014-06-27 Get gaming faster with the official guide to GameMaker Studio GameMaker Studio allows you to create your own games even with zero coding experience and GameMaker Studio For Dummies is a complete guide to the ins and outs of the program Create the game you've always wanted to play in record time and at a fraction of the cost of traditional game development methods You'll have the flexibility to develop 2D games for Android iOS desktops and the Web Gain a professional perspective on this revolutionary path to game creation and publishing Using GameMaker Studio may feel like play but it's a serious tool that allows you to create design develop and publish your very own games With the push of a button the program produces real executable code for your very own app store ready 2D game complete and ready for market GameMaker Studio For Dummies provides complete and accurate information on how to create classic games and special effects written in the characteristically easy to read Dummies style Topics include An overview of Studio and how to get started The basic tools and techniques at the core of your design Advanced techniques for more seasoned game designers An inside look at what the premium upgrades have to offer GameMaker Studio makes game design 80% faster than coding for native languages so you can take your game from concept to market in a matter of weeks Why waste time and money doing it any other way Whether you already have great ideas or just want to dabble GameMaker Studio For Dummies is the guide that will take you straight to guru status
