L O Exam November 2013:

Treatise on International Criminal Law Kai Ambos,2021 This is the first volume of an authoritative three volume treatise on international criminal law The text provides comprehensive treatment of issues relevant to the foundations general part of international criminal law and general principles of international criminal justice

Emergency Care and the Public's Health Jesse M. Pines,Jameel Abualenain,James Scott,Robert Shesser,2014-05-27 As US health care systems undergo a period of transformative change so too will emergency care and more specifically emergency departments This transformation will include The development of new diagnostic therapeutic and information technologies A growing need to prepare and respond to emerging public health threats The expansion of the role of allied health professionals to address the workforce crisis Novel expectations for care coordination The fundamental economics of emergency care under new payment models and The key relationship with American law Emergency Care and the Public s Health explores the complex role of emergency care in the context of these changes and as an increasingly vital component of health care systems both within and outside the US From an expert emergency medicine team this new title is a reference for emergency care and critical care providers allied health professionals and hospital administrators It is also for relevant for public policy and healthcare policy professionals

The Ethics and Religious Philosophy of Etty Hillesum Klaas A.D. Smelik,Meins G.S. Coetsier,Jurjen Wiersma,2017-02-06 The Ethics and Religious Philosophy of Etty Hillesum contains the proceedings of the second international Etty Hillesum Congress at Ghent University in January 2014 and is a joint effort by fifteen Hillesum experts to shed new light on the life works and vision of the Dutch Jewish writer Etty Hillesum 1914 1943 one of the victims of the Nazi regime Hillesum s diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of the Holocaust This volume revives Hillesum research with a comprehensive rereading of her texts With the current rise of interest in peace studies Judaism the Holocaust inter religious dialogue gender studies and mysticism it is evident that this book will be invaluable to students and scholars in various disciplines

Cambridge IGCSE Mathematics Core and Extended Coursebook with CD-ROM Karen Morrison,Nick Hamshaw,2015-12-03 Revised edition of the IGCSE Mathematics Core and Extended Coursebook for the 0580 syllabus for examination from 2015

Integrating Nutrition into Practice Mary J. Marian,Gerard Mullin, MD,2017-07-06 Integrative medicine is an approach to wellness that makes use of both conventional and alternative therapies to achieve optimal health and healing Nutrition based therapies are consistently among the highest used alternative therapies to treat a wide variety of illnesses This book provides consumers and health care professionals with practical guidance on integrating nutrition therapies into disease prevention and management It provides reliable and accurate information from experts in the nutrition field including dietitians nutritionists physicians researchers and academic professionals Integrative Nutrition Therapy includes up to date information on dietary supplements popular diets physical activity and food allergies The book covers disease prevention for cancer cardiovascular

disease diabetes and obesity Additional topics include liver pancreatic conditions and musculoskeletal disorders as well as nutrigenomics epigenetics and metabolomics The book provides evidence based recommendations for which therapies might be appropriate for various conditions and discusses the possible adverse effects that may develop It also includes guidelines and suggestions for creating individualized integrative care plans Integrative Nutrition Therapy is organized in a systematic manner that presents the scientific data using an evidence based how to approach An overview of integrative medicine is written by Dr Roberta Lee a leading authority in the field Award winning nutrition experts provide practical knowledge for the integrative practitioner covering topics such as Nutrition screening and assessment Search for the optimum diet Functional foods and nutritional supplements Nutritional recommendations for women s health Health benefits of physical activity Diet and mental health Although unanswered questions still exist this resource gives you a much needed guide to the information currently available on nutrition and lifestyle based therapies Oncologic Emergency Medicine Knox H.

Todd, Charles R. Thomas, Jr., 2016-05-13 This is the first comprehensive clinical reference on cancer emergencies It is edited and written by world renowned experts in emergency medicine and oncology and covers the diagnosis and management of the full range of emergencies caused directly by cancer or by its treatment It shows how the entire spectrum of clinical medicine is brought to bear in the care of cancer patients in the unique setting of the emergency department ED from health promotion and prevention to treatment and palliative care Recognizing the multiple overlapping contexts in which emergency care of cancer patients occurs the book addresses clinically crucial interdisciplinary topics such as the ethics of ED cancer care the interface with palliative social work substance abuse and more Finally perspective on care system and social forces that shape ED cancer care such as cancer care disparities and care models and on how ED cancer care is delivered outside of the United States frame the book as a whole Against the backdrop of rising numbers of cancer patients and survivors as the United States population ages and a forecast shortage of oncologists this book is designed to serve as the authoritative single source clinical reference on cancer emergencies The intended audience includes emergency physicians oncologists internists family physicians emergency nurses nurse practitioners physician assistants policy makers as well as pre and postgraduate trainees

Herculaneum and the House of the Bicentenary Sarah Court, Leslie Rainer, 2020-02-11 This volume provides a striking account of the life destruction rediscovery and cultural significance of the ancient Roman town of Herculaneum and one of its grandest residences the House of the Bicentenary This volume vividly recounts for general readers the Roman town of Herculaneum destroyed by the eruption of Mount Vesuvius in 79 CE and uniquely preserved for nearly two thousand years Initial chapters offer an engaging historical overview of the town during antiquity including the riveting story of its rediscovery in the eighteenth century excavation in the nineteenth and twentieth centuries and broad cultural significance in modern times Subsequent chapters offer an interpretive tour of the ancient town then focus on one of Herculaneum s grandest and most beautifully decorated private residences known as the House of the

Bicentenary Located on the town s main street it has a range of features original rooms magnificent wall paintings and mosaics and remarkable documents that illuminate daily life in the ancient world Final chapters bring the story up to date including recent discoveries about the site and its famous papyrus manuscripts as well as ongoing conservation initiatives
