

Reveal Math GRADE 1 Curriculum Guide

[Reveal Math K-5](#) is our elementary core math program. Reveal Math develops problem solvers by incorporating both inquiry-focused and teacher-guided instructional strategies within each lesson. The [Standards-Driven](#) program breaks down the standards into a coherent scope and sequence that emphasizes and reinforces each grade level's major content areas to develop a strong foundation as students progress towards algebra. *Reveal Math* addresses the mathematical practices and processes within its instructional design and defines and models the math practices for students.

Reveal Math supports a positive classroom environment, explores mathematics through a flexible lesson design, and tailors classroom activities to student needs. These guiding principles allow students to take ownership of their mathematical journey.

[Redbird Mathematics](#) is our personalized learning program that features the latest in adaptive instruction, gamification, and digital project-based learning and is designed to meet the requirements of state math standards. The individualized, self-paced program integrates conceptual understanding, procedural skill and fluency, and applications into the learning experience. All K-5 students have access to Redbird through ClassLink.

Teachers also incorporate lessons and hands-on experiences using [Math in Practice](#). Math in Practice provides additional materials to guide students into deeper math understanding, focuses on developing deep content knowledge, and supports the big ideas of math content and best-practice teaching.
