Game Guide Playstation:

The Video Games Guide Matt Fox, 2013-01-17 The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3, Xbox 360, Wii, and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels, and of course the author's views and insights into the game. In addition to the main entries and reviews, a full color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

Playstation Two Game Guide Paul Ridley, Jonathan Eves, 2000

A Parent's Guide to Nintendo Games Craig Wessel, Stratos Group, 2001

New reviews of the latest Nintendo games, updated system information, and pointers on choosing Nintendo games for every member of the family are offered in this helpful guide. An easily referenced comprehensive listing of existing and upcoming titles is also featured, as well as game descriptions and suggestions regarding appropriate age groups for specific games.

A Beginners Guide to Using PlayStation 4 (Ps4) Katie Morris, Gadchick, 2014-11-08

Congratulations on your purchase of what Sony Computer Entertainment touts as the world's most powerful gaming console, the PlayStation 4. In its first year alone, the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features. In 2014, it won gaming mega website IGN's People's Choice Award for best console in competition with the Xbox One and Wii U. Accordingly, the PlayStation 4 dominated gaming console sales throughout 2014, making it one of the best and fastest-selling gaming consoles ever designed. In addition to its beefier hardware, Sony has added a variety of new and innovative features, including the DualShock 4 controller, the PlayStation Camera, and the PlayStation Move controller. Additionally, with the new system, players can connect their smart phones, tablets, PS Vita, or PS TV to act as second screen interfaces to interact with your PS4. The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface, but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences. Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access. Additionally, the system now can be controlled using voice commands from a microphone headset or from the built-in microphone on the PlayStation Camera. With the release of the PlayStation 4, Sony has begun to emphasize social gaming, which goes far beyond mere multi-player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button. Ever wanted to share a video of yourself beating that final boss with your Facebook friends? With the PS4, this is now possible.

with just a couple of button presses using the new Share button on the Dualshock 4 controller In addition to faster and easier access to internet services like Netflix and Amazon Instant Video the PlayStation 4 s built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console Whereas in the past and with other consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos the PS4 s web browser is as easy and intuitive as the web browser on your computer and it s automatically compatible with the web s most advanced websites This guide will introduce you to how to use the most advanced features of the PS4 Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend the Sony PlayStation 4 Please note this book is neither written or endorsed by Sony and should be considered unofficial

Totally Unauthorized PlayStation Games Guide Ronald Wartow, Brady Games, BradyGames, 1996-06 The second wave of best selling games such as Twisted Metal Street Fighter Alpha and Mortal Kombat II are examined in this guide The book will arm players with what they need to conquer all of the latest and greatest games for the Sony PlayStation There is no overlap of game coverage with the first volume of this guide
