This book provides leaders and teams with a blueprint of how to work through a problem to find possible solutions while valuing each member of the team. This is not an easy task at any level, and to have a resource to provide guidance for those tough situations is always welcomed.

Nicky Kemp, Assistant Superintendent, North Callaway R 1 School District. Leading School Teams allowed our team to address the lack of processes and the finger pointing and tension that went along with it. It was surprising how quickly the activities and discussion brought out the meat of the issues within our team. Because of the natural manner in which the issues were approached, team members felt respected and accomplished after each session.
