Spring Round

Problems 1-50

Name _____

School _____

Grade _____

LET'S HAVE FUN WITH MATHS. YOU'LL ALSO ENJOY DOING THESE.

This round consists of 50 problems. You will have 45 minutes to complete. You will not be allowed to use calculators. Do not use any other materials that would constitute unfair advantage. It is your responsibility to check that you have received the correct number of problems. All materials may be stored in separate pages. All materials must be clearly marked and identified through your school name. Please make sure that copies of the answer sheets to any problems that you have solved are clearly marked. We'll be happy to see your work.

Jane Piiro

Mathcounts State Sprint Round Problems 2003:

Talented Children and Adults Jane Piirto, 2021-09-03 This third edition of the widely popular *Talented Children and Adults: Their Development and Education* has been revised to include the most up to date information on talent development. Written by a nationally recognized author in the field of gifted education, this textbook explores the factors that encourage talent development from birth through adulthood, with specific chapters focusing on children from birth to age 2, elementary and middle school students, high school and college students, and adults. *Talented Children and Adults* includes information for identifying talented students, developing programs for these students, identifying creativity, and creating appropriate curricula. The book also addresses counseling and guidance for talented students, as well as underserved populations. Each chapter begins with a vignette, and case studies from students and educators in the field are included at the end of each chapter. This book is a must read for anyone who works with talented children and adults.
