**University of Iowa**

A decorative graphic element consisting of a light blue horizontal bar with a rounded right end, and a red semi-circular shape behind it, resembling a stylized 'U' or a logo element.

## **How To Present Dissertation:**

**How to Write a Phenomenological Dissertation** Katarzyna Peoples, 2020-02-07 Conducting phenomenological research for dissertations can be an involved and challenging process and writing it up is often the most challenging part How to Write a Phenomenological Dissertation gives students practical applied advice on how to structure and develop each chapter of the dissertation specifically for phenomenological research Phenomenology is about personal experience and personal experience varies from researcher to researcher However this variation is a big source of confusion for new researchers in the social behavioral or health sciences This brief text is written in a simple step by step fashion to account for this flexibility and variation while also providing structure necessary for a successful dissertation Broken up into chapters that follow each chapter of the dissertation this text logically addresses the various parts of phenomenological research starting with ensuring phenomenology is the right method for your research writing the literature review going through methods and results sections to analysis and discussion The author using experience gleaned from supervising phenomenological dissertations for many years gives time tested advice on how structure the dissertation to fit into more common frameworks using checklists and tables throughout Each chapter includes a list of helpful resources for students to use alongside this book with specific information on methods and research Unique to this text is a chapter on creating your own phenomenological method which allows students to expand their viewpoints and experiment in future studies after the dissertation

*How to Do Your Social Research Project Or Dissertation* Tom Clark, Liam Foster, Alan Bryman, 2019 For final year social science undergraduates How to do your Social Research Project or Dissertation is the most student led guide to confidently navigate the research process It shares real student and supervisor experiences to help motivate you provides advice for efficient time management and tracks your progress through focused checklists

*How To Do Your Dissertation in Geography and Related Disciplines* Tony Parsons, Peter G Knight, 2015-02-20 This book provides undergraduates with a step by step guide to successfully carrying out an independent research project or dissertation The book addresses each stage of the project by answering the questions that a student is likely to ask as the work progresses from choosing the subject area and planning the data collection through to producing illustrations and writing the final report Most undergraduates in geography and related disciplines are required to undertake individual projects as part of their degree course this book is a source of constructive practical advice This new third edition continues the tradition of friendly well informed but informal support and continues to focus on answering the specific questions that students typically ask at each stage of the project The new edition brings the text completely up to date by taking into account changes within the discipline and changes in the ways that students work New digital media social networking mobile technology e journals anti plagiarism software ethics approval rules and risk assessments are among the issues that this new edition takes into account The new edition also broadens the book s appeal by extending its coverage of the wide range of different approaches to

geographical research with expanded coverage of qualitative research Geographic Information Systems and new approaches to research design in both physical and human geographies

**Abstracts of Dissertations for the Degrees of Doctor of Philosophy and Doctor of Education** Stanford University,1930     *Abstracts of Dissertations Approved for the Ph. D., M. Sc., and M. Litt.
