

**OBJECTIVES**

- 1. Understand the structure of the health plan as a business, including its components and its various health insurance plans, and the various ERAs associated with all of these components
- 2. Understand the various components of the health plan

**Executive Overview**

Read this introduction to the health plan components:

Explaining differences between the various parts of the health coverage ("the business")—medical, hospital, and medical/surgical—helps understand why the various components for particular medical services are available and how they are structured as ERAs. Understanding the "what of the what" provides answers to the "what is" question.

Medical and hospital plan plans and various medical services are explained. Differences of the medical and the various components are explained.
