The Neutralized Church Gene Baldock, 2011-03 The Neutralized Church offers an introduction to the answers to questions that many Christians are raising today We have been manipulated into ignoring the obvious answers and dismissing the evidence of their truth even though they have been readily

available to all for generations We reject and ignore those who defy political correctness and yet they speak the truth The United States is in decline and the US Dollar is now in jeopardy Our educational system is falling further behind international competition and our foreign policy has made us targets for hatred and unhappiness generated all over the planet Morality has been abandoned and powerful new government agencies have been created that threaten our freedom Christians must learn what God expects of them before it s too late The Neutralized Church calls on people with a foundational knowledge of the Bible those who accept it as the Word of God Only by understanding what Satan has done to the church can we truly begin to understand why all efforts to bring about change will fail God works through those who willingly serve Him therefore the church is God s change agent God will not change His strategy just because Christians permit Satan s unwanted influence over the church
