## Evaluation and Placement

- It gives an opportunity for students to understand their strengths and weaknesses and help them improve their skills
- It also helps in making sure that students are placed in a class that suits their needs
- Helps identify students who may need extra help or support in order to succeed in choir class
- Helps what areas need more focus, and allows students to see what they need to work on

## Warm Ups

- Helps to prepare choir members for the rest of the rehearsal
- Give students confidence when they are already performing
- Helps the body relax and opens up the vocal chords, so that they can make full use of their range when singing
- Helps them to become more familiar with their voice.

## Singer Placement

- It allows your choir to sing together in harmony and make beautiful sounds. Making sure that each voice has its own space.
- Make sure that they are comfortable and able to maintain good posture
- Ensure that students are in the best possible position to blend their voice

## Reading Sheet Music

- Students need to be able to read the notes on the page in order for them to be performed correctly by everyone in the choir
- It allows everyone within the group to be on equal footing when it comes down to performing certain songs
- It is important that students understand the fundamentals of note-reading and rhythm

## Individual Singing

- Best way to identify soloists
- Making sure each singer is confident in their ability.
- Make sure that every student is enunciating properly.
