Survival of the Heart Tragedy of the Mind Dwight N. Wood Sr,2013-04 After a life that has spanned more than six decades Dwight N Wood Sr now provides an intensely painful but transparent account of his story starting from birth and leading to the present day He always attempted to hide away the damaging scars of a major heart surgery and the sometimes cruel events prompted by poverty It was his choice to cover up and contain his deepest emotions within his heart and mind *Survival of the Heart Tragedy of the Mind* is a spiritual and surprising story of medical survival and human tragedy Wood characterizes his most detailed memories of his childhood and the sacrifices of his family which always supported his dreams of living a normal life After he became an adult he once again faced the demons of his past physical and mental battles He recounts the hardships associated with despair dying and death He expresses the mental struggles of living in the past while not looking toward the present and future The emotional and monetary costs of failing to seek professional guidance nearly led to his demise Wood admits to the consequences of being a man who has had to deal with denial and rejection His book is about learning the lessons of life and making the confusing connections between commonsense and poor judgment He rationalizes the reasons we should embrace love and forgive people The crucial decisions he made as a child and an adult now allow him to complete his circle of life *Survival of the Heart Tragedy of the Mind* is an intimate portrayal of a very emotional boy who develops into a mentally quick and capable man His often hopeful approach to overcoming human miseries is highlighted by his failures as well as his victories From his youthful days to his elderly years he suffered from a congenital heart abnormality and eventually developed post traumatic stress disorder His lifelong search for the answers to human love spiritual happiness and the true meaning of human life eventually

leads him to some remarkable solutions with noteworthy conclusions

The Ggame Albie Landwehr,2013-11-22 Do you remember the sheer joy of playing catch in the yard or have fond memories involving baseball Was baseball like church once a subject of intense discussion shared with family friends or total strangers transcending generations gender race and economic status Has it become far less important in your life Have you ever wondered what issues drove a wedge between you and such joy and passion Paul is such a person whose once deep passion for the Game of baseball has eroded over the years by changes sidetracking its pure essence The excitement of league pennant races has been replaced with wild card chases Focus on key hitting and pitching stats has given way to PED usage and contract details Can managing a youth league baseball team enable him to overcome these negative changes to the game and rediscover his love for the Game or will his interest completely fall away Having a team consisting of well known biblical figures and a special player named Chris just might help Commingling laughs with a message that can be enjoyed by youngsters and adults alike whether believers or non believers this novel blends biblical events references and characters humorously into the context of youth baseball as Paul attempts to reconnect

Outlaw League Robert Foust,Keith Rogers,2021-06-09 While this book is basically a satirical look at baseball it touches on other subjects along the way It starts in 1956 long after the legend of Abner Doubleday a Civil War officer whose name is entwined with inventing the grand old game we now call baseball Unlike the ironmen of the past who went the distance and hit for power too the narrative explores how the game evolved into one that features specialized players like designated hitters and starting pitchers who rarely go more than six innings before the hot arms of the bullpen trot out It also tells the journey of a young boy into manhood and the trials and tribulations he endures while seeking his lifelong dream and indeed his true calling in life of becoming a major league pitcher It touches on the draft and his induction into the military and ultimately his deployment to Southeast Asia and a combat tour that he barely survived It then follows his path into the world of marijuana trafficking and ultimately a four year stretch in a Canadian penitentiary It climaxes with our protagonist getting an invitation at age thirty six to spring training He didn t make the team but it was an achievement nonetheless It is an entertaining read with great characters mixed in along the way I hope you will enjoy reading this piece of baseball fiction as much as I enjoyed writing it

The Balanced Leader Tom Bohem,2025-07-21 The Balanced Leader is an autobiographical account of my leadership journey From humble beginnings to my emergence as a leader and eventual COO I highlight the experiences that helped define me I share compelling stories and lessons throughout this journey I consider myself a regular Joe who was able to find success as a leader If I can do it so can you For me having a balanced approach in all aspects of my life was critical to my success and well being I lived this mantra and preached this throughout my life Hence The Balanced Leader Ensuring those around me were thriving personally and professionally was extremely important As a leader it s not about you it s about the team I may not have always been the smartest in the room but I was smart enough to know that I needed talented people around me who were motivated and encouraged along the way I stressed balance and

enabled my leaders the freedom to maintain theirs 100 percent of the time In this book I ll share stories about the people who helped guide and mentor me along the way I will highlight the significant contributions and important lessons gleaned from every one of them I ll never forget those who took the time to work with me and help me I did my best to pay that forward anytime I could Perhaps most importantly I share leadership lessons and tips suitable for leaders in any profession or field These range from practical to strategic things I practiced meticulously for years Finally I hope you will enjoy the songs I sprinkled throughout the book Music has played a very important part in my life and I always have had a soundtrack playing in my head Come along on this journey with me and enjoy the stories lessons and soundtrack of course

Sigma Nu fraternity delta ,1906 *Psychoanalytic Perspectives On Intense Involvement in Sports* Irwin Hirsch,Phillip Blumberg,Robert Watson,2020-10-26 This book is a unique volume that brings a variety of psychoanalytic perspectives to the study of sport It highlights the importance of sports for different individuals and how the function and use of sports can be brought into the consulting room Passionate interest in actively engaging in sports is a universal phenomenon It is striking that this aspect of human life prior to this volume has received little attention in the literature of psychoanalysis This edited volume is comprised largely of psychoanalysts who are themselves avidly involved with sports It is suggested that intense involvement in sports prioritizes commitment and active engagement over passivity and that such involvement provides an emotionally tinged distraction from the various misfortunes of life Indeed the ups and downs in mood related to athletic victory or defeat often supplant temporarily matters in life that may be more personally urgent Engaging in sports or rooting for teams provides a feeling of community and a sense of identification with like minded others even among those who are part of other communities and have sufficient communal identifications This book offers a better psychoanalytic understanding of sports to help us discover more about ourselves our patients and our culture and will be of great interest to psychotherapists and psychoanalysts or anyone with an interest in sport and its link to psychoanalysis and mental health
