1. How does Little look appear to be different from any other books you have read? State two specific differences. What do you think Walter Dean Myers was trying to accomplish by writing his novel in this way?

It looks like it is handwritten and a journal. It also looks like a script. Answers may vary.

2. Why does the narrator choose to present the events that happen to him in a script form?

He wants to take himself out of what is happening and think it out if it is too hard to deal with.

3. Who is O'Brien? What are her suggestions? What does she say is her job? How does she perceive Steve's situation?

She is Steve's defense lawyer. She says that he needs to take things seriously and not worry at his friends. She said it is her job to make Steve look as human as possible. She said he might go to jail for life or even get the death penalty if they are not careful.

4. What does the grand mean when he says Steve's case is a "million cases"? What does this say about truth and justice in the American Jury System?

They go through the motions of a fair trial and then look them up anyway. It shows that they are not willing to listen or are biased to the defendant. The jury system is flawed in some ways because it still allows biased people to pass unfair judgments.

5. What purpose is the flashback to Steve's Film Class? What does Savich say to Steve?
