

Fbla business law study guide **with correct answers 2025/2026**

1. A functional organizational structure - correct answerscentered on job functions, such as marketing, research and development and finance. Small companies should use this when they want to arrange their organizational structure by department. For example, a small company may have a director, two managers and two analysts in the marketing department. The director would likely report to the Chief Executive Officer, or CEO, and both managers would report to the director. In addition, each manager may have an analyst reporting to them. It works well when small companies are heavily project-focused.
2. Accord - correct answersAgreement, state of harmony
3. Adjudicate - correct answersTo hear and decide judicially; to judge
4. Agent - correct answersrequired to negotiate on behalf of the principal or bring him or her and third parties into contractual relationship.
5. Arbitration - correct answers(law) the hearing and determination of a dispute by an impartial referee agreed to by both parties (often used to settle disputes between labor and management)
6. Assignment - correct answersAn assignment (Latin cessio) is a term used with similar meanings in the law of contracts and in the law of real estate. In both instances, it encompasses the transfer of rights held by one party—the assignor—to another party—the assignee.[1] The details of the assignment determines some additional rights and liabilities (or duties).
