

# nUbee's Newbie Guide for FCOM

## **Introduction**

This guide is intended to help those who have never installed FCOM on their Oblivion install. Many players feel the process of installing four overhauls is a daunting and confusing task. The reality is that all you need is a little patience and know that if something goes wrong, it can be fixed, and that you learned something in the process. I will do my best to be as clear as possible in the steps provided.

One of the great things about FCOM is that there are so many ways to customize your game. There are many, many mods out there that are compatible with and compliment FCOM. But since this is a newbie's guide, I will give you the steps for a basic installation.

When downloading mods, I recommend you create a folder (e.g. "OblivionDLs" on your desktop) and place all downloaded material into that folder. The more organized your files are, the less stress there is. In case you don't have it already, you will need to download and install [7-zip](#). It's a free archive creator/extractor that will be able to extract just about any archive you come across. It's also needed for making a modified archive of our own. This guide will assume you have it.

Most of the required material can only be downloaded from [tesalliance.org](#) and [nexusmods.com/oblivion/](#). You will need a login at these sites for downloading.

## **1. Install Oblivion and DLC**

1.1: To start off with, make sure you are installing FCOM on a clean install of Oblivion. That means that no other mods or files should be installed when starting this. So if you have Oblivion installed already, it might be easiest to just uninstall it and remove the Oblivion folders from:

C:\Users\<your username>\Documents\My Games

and

C:\Users\<your username>\AppData\Local

1.2: Now install Oblivion. Be sure to install the game into a directory that is not in C:\Program Files\. Instead, install it in a new folder such as

C:\Games\Oblivion

This way you won't be bothered by UAC and have problems later down the road.
