## **Moon Over Soho:**

**Moon Over Soho** Ben Aaronovitch, 2022-11-28 Moon Over Soho cements the Rivers of London series as my favorite urban fantasy series The humor the world building the action the magic the mystery the procedural all are top notch Ranting Dragon My name is Peter Grant and I m a Police Constable in that mighty army for justice known as the Metropolitan Police a k a the Filth I m also an apprentice wizard the first in fifty years When your dad is an almost famous jazz trumpeter you know the classics And that s why when Dr Walid called me down to the morgue to listen to a corpse I recognized the tune it was playing as the jazz classic Body and Soul Something violently supernatural had happened to the victim strong enough to leave its imprint on his corpse as if it were a wax cylinder recording The former owner of the body Cyrus Wilkinson was a part time jazz saxophonist and full time accountant who had dropped dead of a heart attack just after finishing a gig He wasn t the first but no one was going to let me exhume corpses just to see if they were playing my tune So it was back to old fashioned police legwork starting in Soho the heart of the scene with the lovely Simone Cyrus s ex lover professional jazz kitten and as inviting as a Rubens portrait as my guide And it didn t take me long to realise there were monsters stalking Soho creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune What they take is beauty What they leave behind is sickness failure and broken lives Reviews for Moon Over Soho Mr Aaronovitch is in short w riting the best contemporary occult detective series on the shelf today and that s by a substantial margin Pornokitsch Moon Over Soho is a gripping continuation of River of London s well executed blend of police procedural and fantasy with a good splash of horror thrown in This is urban fantasy done with a loving attention to detail and enlivened by an ever present wit making this series a must read for anyone who likes their fantasy with a strong edge of realism SF Book Reviews

**Smoke and Mirrors** Tanya Huff, 2024-05-03 Tanya Huff bestselling author of the Blood Price books continues a new series where a street kid turned production assistant must balance deceptions that might get him fired with the supernatural truth that might get him killed Working as a PA for a syndicated television show means when problems crop up it s Tony Foster s job to figure them out Once his producers decide to film at an isolated historic mansion for a week the wizard in training expects disruptions no cell signal extras bumbling around the set lighting cords tangled in hundred year old hallways He doesn t expect ghosts A few dead folks wandering around shouldn t disturb much though They re only perceptible to the sensitive Except it seems more of the cast and crew are sensitive than Tony knew And the house isn t home to only a few spirits With the memories of murders playing out around them Tony has to dodge sneak and scramble to cover in front of the normies Until he gets trapped in the mansion overnight with his boss his vampire ex the smoking hot straight actor sending mixed signals and the executive producer s bratty kids His crew wants answers The house wants blood And the horrors are only beginning

**Smoke and Ashes** Tanya Huff, 2024-07-11 Tanya Huff bestselling author of the Blood Price books delivers the thrilling conclusion to a series where a street kid turned production assistant faces ancient demons

curious heartthrobs and a filming schedule that stops for nobody Coming out of the wizard closet has barely changed Tony Foster's life He's been promoted to deploy hair-raising sorcery against construction noise His crush on the gorgeous second lead has devolved to overanalyzing paparazzi pics His magic studies progress when he's not working or sleeping which is never Then he intervenes to prevent a terrible accident and discovers the stuntwoman involved is an immortal survivor of a 3500-year-old sex cult with a hellgate around her midriff She tells Tony a demonic convergence is beginning in Vancouver and only he can turn back the eldritch horrors attempting entry through the living room set The producer maintains they still owe the network two episodes of Darkest Night and Tony as his on-staff wizard had better handle it Meanwhile the crew and one infuriating actor are endangering themselves trying to help while Tony barely has the firepower to keep himself in one piece Whether it's Tony's friends, his city, or his own survival, something's bound to give

**Smoke and Shadows** Tanya Huff, 2024-04-02 Tanya Huff, bestselling author of the Blood Price books, starts a new series where a street kid turned production assistant must juggle his vampire ex, a crush on a hot straight actor, and the potential end of the world Working on a direct-to-syndication show about a vampire detective doesn't much compare to Tony Foster's past as an actual vampire's lover True, he's still wrangling beautiful people with big egos and the power to crush him, but there are far fewer demons, and TV blood is just corn syrup When shadows on set start moving independent of the people they're supposed to be attached to, though Tony can't dismiss it as a trick of the light Especially when he finds the beauty of the week dead in a locked dressing room Before long, he's discovered the head of the special effects department is an actual wizard and brought in his ex, the vampire Henry Fitzroy, to help defend against an attack so terrifying survival seems unlikely Tony will have to assist his butt off to give them anything like a chance But being thrust into a spotlight doesn't make him a hero

*A History of the Vampire in Popular Culture* Violet Fenn, 2021-05-12 An exploration of the continuing appeal of vampires in cultural and social history Our enduring love of vampires, the bad boys and girls of paranormal fantasy, has persisted for centuries Despite being bloodthirsty, heartless killers, vampire stories commonly carry erotic overtones that are missing from other paranormal or horror stories Even when monstrous teeth are sinking into pale, helpless throats, especially then, vampires are sexy But why In *A History of the Vampire in Popular Culture*, author Violet Fenn takes the reader through the history of vampires in fact and fiction, their origins in mythology and literature, and their enduring appeal on TV and film We'll delve into the sexuality and sexism of vampire lore, as well as how modern audiences still hunger for a pair of sharp fangs in the middle of the night

Rivers of London Ben Aaronovitch, 2022-11-21 10th Anniversary Edition of *Midnight Riot* by 1 Sunday Times bestselling author Ben Aaronovitch, the first book in the international bestselling *Rivers of London* series Restored to its original British title *Rivers of London*, this Author's Preferred Edition includes revised text never before seen by US readers and a new introduction by the author My name is Peter Grant, and until recently I was just another probationary constable in that mighty army for justice, known to all right-thinking people as the Metropolitan Police, and by everyone else as the filth My

only concerns in life were avoiding a transfer to the Case Progression Unit We do paperwork so other coppers don't have to and where to get a hot coffee while on late shift Then one night in pursuance of a murder inquiry I tried to take a witness statement from a man who was dead but disturbingly voluble and that brought me to the attention Chief Inspector Nightingale the last wizard in Britain And that as they say is where the story really starts Now I'm in plain clothes and the first apprentice wizard in fifty years and my world has become somewhat more complicated Now I'm dealing with nests of vampires in Purley negotiating a truce between the warring god and goddess of the River Thames and digging up graves in Covent Garden and that's just the routine stuff Because there's something festering at the heart of the city I love a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair The spirit of riot and rebellion has awakened in the city and it's fallen to me to bring order out of chaos or die trying Which I don't mind telling you would involve a hell of a lot of paperwork

Reviews for Rivers of London fresh and original and a wonderful read I loved it Charlene Harris A hilarious keenly imagined caper Diana Gabaldon A witty and inventive twist to urban fantasy Wouldn't let go until the last page Mario Acevedo It's witty fun and full of vivid characters and the plot twists will keep even seasoned mystery fans guessing Publishers Weekly
