Beckett was one of the most distinguished writers of the 20th century He was awarded the Nobel Prize in 1969 and his works
have secured him a lasting place in the literary canon The critical response to his fiction has been overwhelming Numerous
books and thousands of articles have been published on Beckett primarily in Europe the United States and Canada Since he

Winner of the 1969 Nobel Prize for literature Irish born author Samuel Beckett earned a solid reputation for being one of the
most important authors of the 20th century Best known as the author of *Waiting for Godot* Beckett wrote other dramatic
works such as *Endgame* and *Krapp s Last Tape* He wrote several novels including *Molloy* *Malone Dies* and *The Unnamable*
and a number of poems and short stories His innovative approach to language character plot and narrative style was
appreciated but sometimes criticized and his nontraditional concepts of time and space taught readers to approach literature
in a new way Though he experimented with literary forms his works are within the 20th century intellectual tradition of
alienation isolation and pessimism Through essays and reviews this reference book documents the critical response to
Beckett s poetry fiction and drama from his earliest works to the public reaction to his death in 1989 Because Beckett often
wrote in French and then translated his works into English scholars responded to several versions of the same work Because
Beckett also had an exceptional knowledge of world literature philosophy mathematics and the sciences his works are dense
with meaning and have invited a broad range of critical approaches This reference is divided into several sections that

roughly correspond with the different genres Beckett utilized Within each section reviews and seminal articles are arranged chronologically so that the reader may trace the response to Beckett over time An introductory essay discusses the overall response to Beckett and a bibliography lists works for further reading **Proceedings of the Royal Irish Academy** Royal Irish Academy,1978 Includes also Minutes of the Proceedings and Report of the President and Council for the year beginning 1965 66 called Annual report
