Writing First with Readings Laurie G. Kirsznar, Stephen R. Mandell, 2005-09-28 Writing First teaches the basics of writing and grammar in the context of students' own writing. Along with a comprehensive treatment of the process of writing paragraphs and essays, it helps students develop the fundamental writing skills they need to succeed in college and beyond. By providing students with more help in the areas they most need—grammar, ESL, and high-stakes test-taking—the third edition of Writing First better addresses the realities of the developmental writing course.

Higher Lessons in English: A work on English grammar and composition Brainerd Kellogg, Alonzo Reed, 2023-11-17 Higher Lessons in English: A work on English grammar and composition, curated by Brainerd Kellogg and Alonzo Reed, stands as a testament to the intricate weave of the English language's grammatical structure and the art of composition. This anthology, rich in its diversity of grammatical instruction and compositional guidance, encapsulates the evolutionary journey of English usage in both spoken and written forms. Spanning a broad spectrum of styles—from the prescriptive to the descriptive—it offers readers a comprehensive overview of the language's nuances, highlighted by the inclusion of seminal works that have shaped modern English grammar and composition. The contributions from Brainerd Kellogg and Alonzo Reed, both distinguished educators and authors, reflect their pioneering efforts in the development of English education. Embedded within the historical and cultural milieu of their time, their works align with the late 19th-century movement towards standardizing English education. Together, they enrich the anthology with their collective wisdom, drawn from decades of teaching and linguistic research, thus providing invaluable insights into the mechanics of English and its pedagogical methodologies. For anyone keen on delving into the depths of English grammar and composition, this collection offers a unique educational journey. It not only serves as a bridge connecting readers to the historical underpinnings of English language instruction but also stimulates an appreciation for the precision and flexibility of English. By exploring the varied perspectives and instructional strategies of Kellogg and Reed, readers will find themselves better equipped to navigate the complexities of the language, making this anthology an indispensable resource for students, educators, and language enthusiasts alike.
