## Fallen Angels

### Close Reading Worksheet (Chapter 10)

It was 2230 hours. Back home in Harlem it would have been ten-thirty. The eight o'clock parties would just be hotting up. Kenny would be fighting with Mama about going to bed. Maybe he would wonder about what I was doing. If he was in bed already, he would be reading comics under the blanket with a flashlight. I wondered if he would feel anything if I got nailed? Would he wake up in the middle of the night, wondering what was wrong? Would he feel uneasy, knowing that halfway around the world his brother was hurting?

Kenny, I love you.

We waited. I told myself that I was bored.

I wondered if Mama was getting the allotment checks. I wondered how she felt about them. Did she think I was doing something for her, or just that it was part of my being in the army? I didn't know myself.
