

# Picture Writing Prompt (fantasy)

Write a story about a cow jumping high in the night sky, soaring over a glowing full moon. Picture the stars twinkling in the dark sky and the cow looking determined or even a little nervous. What else might be happening in the scene?

Think about:

- How did the cow get to the point where it could jump over the moon?
- Why is the cow jumping? Did it practice for this moment, or is this a once-in-a-lifetime leap?
- Where did the cow come from, and where will it land after jumping over the moon?
- Are there any characters helping or watching the cow? Maybe a farmer, other animals, or even something unexpected like an alien or a group of cheering stars?
