Every time I start to feel like I understand Joker I realize how little I know about him. Trying to understand Joker is like trying to understand the Vietnam War. Why did we get involved? Why do young soldiers get sent to fight in wars that they don't know anything about?

I try and educate myself about America's involvement in Nam but feel like I still know nothing. I do know that the people we fought had fought with purpose. Maybe because they were fighting for their land and families. It seems like the Americans were just fighting to prove something. Like a big bully constantly trying to prove his strength.

Full Metal Jacket Diary:

Full Metal Jacket Diary Matthew Modine, 2005 Mirroring his part as a Marine Corp journalist Modine recounts through words and photographs his experiences working with Stanley Kubrick on the film Full Metal Jacket **Stanley Kubrick** Nathan Abrams, 2018-04-19 Stanley Kubrick is generally acknowledged as one of the world's great directors Yet few critics or scholars have considered how he emerged from a unique and vibrant cultural milieu the New York Jewish intelligentsia Stanley Kubrick reexamines the director's work in context of his ethnic and cultural origins Focusing on several of Kubrick's key themes including masculinity ethical responsibility and the nature of evil it demonstrates how his films were in conversation with contemporary New York Jewish intellectuals who grappled with the same concerns At the same time it explores Kubrick's fraught relationship with his Jewish identity and his reluctance to be pegged as an ethnic director manifest in his removal of Jewish references and characters from stories he adapted As he digs deep into rare Kubrick archives to reveal insights about the director's life and times film scholar Nathan Abrams also provides a nuanced account of Kubrick's cinematic artistry Each chapter offers a detailed analysis of one of Kubrick's major films including Lolita Dr Strangelove 2001 A Clockwork Orange Barry Lyndon The Shining Full Metal Jacket and Eyes Wide Shut Stanley Kubrick thus presents an illuminating look at one of the twentieth century's most renowned and yet misunderstood directors *On Kubrick* James Naremore, 2019-07-25 On Kubrick provides an illuminating critical account of the films of Stanley Kubrick from his earliest feature Fear and Desire 1953 to the posthumously produced A.I. Artificial Intelligence Steven Spielberg 2001 The book offers provocative analysis of each of Kubrick's films together with new information about their production histories and cultural contexts Its ultimate aim is to provide a concise yet thorough discussion that will be useful as both an academic text and a trade publication James Naremore argues that in several respects Kubrick was one of the cinema's last modernists his taste and sensibility were shaped by the artistic culture of New York in the 1950s he became a celebrated auteur who forged a distinctive style he used art cinema conventions in commercial productions he challenged censorship regulations and throughout his career he was preoccupied with one of the central themes of modernist art the conflict between rationality and its ever present shadow the unconscious War and science are key concerns in Kubrick's oeuvre and his work has a hyper masculine quality Yet no director has more relentlessly emphasized the absurdity of combat as in Paths of Glory 1957 and Full Metal Jacket 1987 the failure of scientific reasoning as in 2001 1968 and the fascistic impulses in masculine sexuality as in Dr Strangelove 1964 and Eyes Wide Shut 1999 The book also argues that while Kubrick was a voracious intellectual and a life long autodidact the fascination of his work has less to do with the ideas it espouses than with the emotions it evokes Often described as cool or cold Kubrick is best understood as a skillful practitioner of what might be called the aesthetics of the grotesque he employs extreme forms of caricature and black comedy to create disgusting frightening yet also laughable images of the human body creating a sense of unease that leaves viewers unsure of how to

react **Kubrick** Robert P. Kolker, Nathan Abrams, 2024-02-06 The definitive biography of the creator of 2001 A Space Odyssey The Shining and A Clockwork Orange presenting the most in depth portrait yet of the groundbreaking film maker The enigmatic and elusive filmmaker Stanley Kubrick has not been treated to a full length biography in over twenty years Stanley Kubrick An Odyssey fills that gap This definitive book is based on access to the latest research especially Kubrick s archive at the University of the Arts London as well as other private papers plus new interviews with family members and those who worked with him It offers comprehensive and in depth coverage of Kubrick s personal private public and working life Stanley Kubrick An Odyssey investigates not only the making of Kubrick s films but also about those he wanted but failed to make like Burning Secret Napoleon Aryan Papers and A I Revealingly this immersive biography will puncture the controversial myths about the reclusive filmmaker who created some of the most important works of art of the twentieth century *Film on Paper* Richard Schickel, 2008 Presents essay reprints from Richard Schickel s The Los Angeles Times Book Review intended as a review of books about the movie industry but instead comments about different groups of players within the industry Depth of Field Geoffrey Cocks, James Diedrick, Glenn Perusek, 2006-06-23 Analyzes Stanley Kubrick s films from a variety of perspectives This is a study of one of the controversial filmmakers of the twentieth century It ends with three viewpoints on Kubrick s final film Eyes Wide Shut placing it in the contexts of film history the history and theory of psychoanalysis and the sociology of sex and power **People** ,2005-12 **Library Journal** ,2005 **Genre** ,1991 **Camera Obscura** ,2001 A journal of feminism and film theory **Library Journal** Melvil Dewey, Richard Rogers Bowker, L. Ebert, Donald E. Morton, 1995 These are not friendly times for starting a new Marxist journal and yet these are exactly the times in which a new Marxist journal is urgently needed to provide transformative knowledges for social change Transformation is a response to the crisis of revolutionary theory and praxis The post modern left has abandoned the project of revolution in favor of bourgeois democracy marginalized problems of labor class and exploitation and elided the centrality of need More to the point left theory has deserted economic and labor issues at a time of increasing class differences between North and South the poor and the rich the world over a time when the workers of the world are increasingly subjected to exploitation by ever more innovative technologies and subtle forms of management to keep the rate of profit high for transnational cartels In opposition to the post al left and its ludic politics Transformation deploys classical Marxist theory to provide boundary explanations of contemporary capitalism without

borders It places classical Marxist theory in new terrains and brings it to bear on understanding the emerging contradictions in post al societies from labor relations to sexuality from markets to the cyberspaces of virtual reality from health care to crime and family values from post al forms of racism to hyper colonialism and welfare Transformation is a vanguard journal opposing both nostalgia and utopia and insisting on developing rigorous materialist boundary explanations of post al social totality the boundary analyses in short that are necessary for sustained intervention by revolutionary praxis in ending private ownership of the means of production and establishing international socialism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Chain* ,1996 *The Publishers Weekly* ,2005 **Lingua Franca** ,1992 Roger Ebert's Movie Yearbook, 1999 Roger Ebert,1998 Presents detailed descriptions and reviews of virtually every movie that has opened nationally over the past year reports from the major film festivals interviews with important movie figures and essays on the movie world
