MATH STATIONS

TEACHER INFORMATION

GENERAL INFORMATION:

- There are 8 stations included. Choose which stations you will have your students complete:
 - Ready to Order Board Game - order integers
 - Integer Comparison Cards - comparing integers
 - Task Cards - identify value & operations
 - File It Game - integer operations
 - Compare This - compare integers
 - Integer Number Line Cut & Paste - add integers on a number line
- Many stations have a color and a b/w version.
- Decide how many students you want in each group.
- Depending on the number of groups you have, you may want to set up more than 1 of each station.
- There is prep work for some of the stations. You may want to print out everything in the prep station.
- Decide on timing for stations: 1) Set a timer and move everyone at the same time, or 2) Let students move as they finish the station.

STATIONS PREP & MATERIALS:

- Decide how many stations you need for each activity. This will depend on: 1) how many students you have and 2) how many you put into each group. You may want to set up at least 2 stations of each activity, so students aren't waiting around to do an activity.
- I have listed each station separately on the following pages and what will need to be prepared for that station. It also includes the materials that station needs.
